# District Implementation Plan

Implementation of nutrition services under the supervision of DHO through its secondary (DHQ/THQ) and first level care facilities (RHCs), for community based nutrition activities and services through its community based workers programs (LHW/MNCH/EPI programs).

- ▶ Contracting to competitively selected NGOs for implementation of nutrition intervention in non LHW covered areas
- ▶ Public Private Partnership (PPHI)- for using the staff and premises of primary health care facilities under their management
