

# Cinematheque

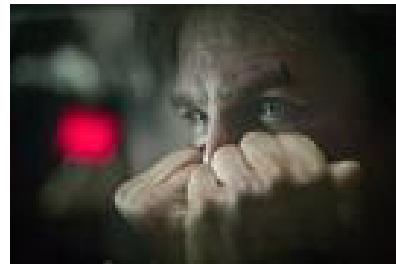

Presents

The third in a series: The "New" Cinematic Apparatus, a forum on form.

Friday October 19, 6:30 PM 1501 WWPH

(WITH A BANG?)

(WITH A WHIMPER?)

## **SOUND AND IMAGE IN STEVEN SPIELBERG'S WAR OF THE WORLDS (2005)**

Devan Goldstein is a PhD student in the English Department and Film Studies Program. Devan's interests include uses of horrific imagery outside the horror genre, cinematic representations of the catastrophic, and the intersections of cognitive psychology and other sciences with film studies.
