ARTICULATION AGREEMENT

Made this ___ day of ______, 19__.

By and Between

SCHOOL OF HEALTH RELATED PROFESSIONS, UNIVERSITY OF PITTSBURGH - OF THE
COMMONWEALTH SYSTEM OF HIGHER EDUCATION - a Pennsylvania not-for-profit
 corporation with its principal offices located at 4200 Fifth Avenue,
Pittsburgh, PA 15260, hereinafter referred to as "University";

AND

COMMUNITY COLLEGE OF ALLEGHENY COUNTY, ALLEGHENY CAMPUS, a Pennsylvania
not-for-profit corp. with its principal offices located at College
Office, 800 Allegheny Avenue, Pittsburgh, PA 15233
through its Allied Health Department of Natural Sciences, hereinafter
referred to as "CCAC".

WITNESSETH:

WHEREAS, CCAC wishes to provide its Allied Health Department
students with an opportunity to continue their education without
unnecessary duplication of instruction and delay in attaining
education/career objectives; and

WHEREAS, University wishes to recognize CCAC students qualified
for admission and advanced standing in specific programs in its School
of Health Related Professions;

NOW, THEREFORE, the parties hereto intending to be legally bound
do hereby agree as follows:

ARTICLE I. COVENANTS

1.01 CCAC covenants as follows:

A. CCAC agrees that in order for its Allied Health Department
students to qualify for consideration for admission and advanced
standing in the School of Health Related Professions at the
University as a Health Records Administration major the CCAC
student must fulfill the following conditions:

1) They must have completed an Associate of Science degree and
prerequisite courses which are outlined in Exhibit A, earned
a minimum overall quality point average of 2.50 (based on a
4.0 scale) and a prerequisite quality point average of at
least 2.50; and completed all application procedures
required by the University of Pittsburgh and the School of
Health Related Professions.
2) In order to be awarded advanced standing credit, a "C" grade or higher must be earned in each course that is included in the Associate degree program in Medical Record Technician (MRT) (see Exhibit "A" attached hereto and incorporated herein by reference).

3) A transfer student from CCAC-Allegheny Campus will be awarded a baccalaureate degree from the University of Pittsburgh upon completion of the courses outlined in Exhibit "B" attached hereto and incorporated herein by reference, according to the graduation requirements of the Program in Health Records Administration in the School of Health Related Professions at the University of Pittsburgh.

B. CCAC understands that University is not guaranteeing admission or the reservation of a specified number of openings for CCAC students.

1.02 University Covenants as follows:

A. University agrees to consider CCAC Allied Health Department students who have completed all application procedures required by the University of Pittsburgh and the School of Health Related Professions and completed all prerequisite courses as set forth in provision 1.01 A. above, for admission and advanced standing in University's School of Health Related Professions.

ARTICLE II. TERM AND TERMINATION

2.01 This Agreement shall be effective on the date first above written and shall be in existence for a period of two (2) years. The Agreement may be renewed for subsequent two (2) year terms if both parties agree to such in writing at least thirty (30) days prior to the termination date.

2.02 This Agreement may be terminated by either party without cause upon one (1) academic year's written notice.

ARTICLE III. NOTICES

3.01 Any notices to be given hereunder shall be in writing and deemed to be sufficiently given when mailed by first-class, certified or registered mail to the following addresses:
To University:

Director, Program in Health Records Administration  
School of Health Related Professions  
308 Pennsylvania Hall  
University of Pittsburgh  
Pittsburgh, PA 15261

To CCAC:

Cynthia O. Pace, Ph.D., Dean  
Division of Natural and Health Sciences  
Allegheny Community College  
808 Ridge Avenue  
Pittsburgh, PA 15212

ARTICLE IV. MODIFICATION

4.01. This Agreement sets forth the entire understanding between the parties as to the subject matter hereof. Any modification or amendment to this Agreement shall be in writing and signed by the parties hereto.

ARTICLE V. GOVERNING LAW

5.01. This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officers or representatives.

UNIVERSITY OF PITTSBURGH  
SCHOOL OF HEALTH RELATED PROFESSIONS

Program Director  
Mervat Abdelhak, Ph.D., RRA

Dean  
Jerome L. Martin

Office of the Treasurer

COMMUNITY COLLEGE OF ALLEGHENY COUNTY - ALLEGHENY CAMPUS

Program Director  
Joann Avoli, R.R.A., Med. (Type name and title)

Assistant Dean  
Dean of Instruction  
C. O. Pace  
George P. Melican (Type name)

Executive Dean & Vice President
As advised by the University of Pittsburgh's Provost Office
Addendum to Articulation Agreement Dated November 7, 1986

Let it be known that:

- The “School of Health Related Professions” is now named “School of Health and Rehabilitation Sciences”.

- The “Allied Health Department of Natural Sciences” is now named “Allied Health Department”.

- The “Program in Health Records Administration” is now named “Department of Health Information Management”.

- The Associate Degree program in “Medical Record Technician (MRT)” is now named Associate of Science in “Health Information Technology (HIT)”.

- The Department of Health Information Management, School of Health and Rehabilitation Sciences is now located at 6051 Forbes Tower, University of Pittsburgh, Pittsburgh, PA 15260.

- Under Article III. Notices, To CCAC: should now read: Richard L. Allison, Associate Dean, Allied Health, CCAC, 595 Beatty Road, Monroeville, PA 15146-1396

Also, by my signature below, I agree with the curriculum changes reflected in Exhibit “A” and “B” attached.

HEALTH INFORMATION TECHNOLOGY (CCAC) TO
HEALTH INFORMATION MANAGEMENT (PITT-SHRS)

An articulation agreement exists between the associate degree Health Information Technology (HIT) Program at CCAC, Allegheny Campus, and the Health Information Management Program with SHRS. The following lists can be helpful for planning a transfer curriculum.

**Prerequisites Completed at CCAC and Transferable to Pitt (counted in the 60 required entrance credits):**

- **English I** 3 ENG 101
- **English II** 3 ENG 102
- **Introduction to Psychology** 3 PSY 101
- **Speech elective** 3 SPH 101
- **Information Systems** 7 CIT 100 & 140

**Total** 19

**Prerequisite Courses to be Completed at CCAC and Transferable to Pitt (counted in the 60 required entrance credits):**

- **Biological Science** 3 BIO 100, 103, or 110
- **Introduction to Chemistry** 3-4 CHEM 109 or 110
- **Statistics** 3-4 MATH 161, 165, or PSYCH 290
- **Computer Science and/or Information Science** 3 CIT 111 or 145
- **Intermediate Algebra** 4 MATH 108 (unless completed at CCAC as math elective)
- **Humanities/Social Science** 6 (e.g., Anthropology, Economics, English Literature/Writing, Foreign Language, History, Music, Performing & Visual Arts, Philosophy, Religion, Sociology, etc.)

**Total** 22-24

**Professional Courses Completed at CCAC and Accepted by HIM at SHRS:**

Revised: 3/07
An articulation agreement exits between the accredited associate degree Diet Technician Program (DIT) at the Community College of Allegheny County (CCAC), and the accredited bachelor of science degree Clinical Dietetics and Nutrition Programs at the University of Pittsburgh School of Health and Rehabilitation Sciences.

TRANSFERABLE PREREQUISITE COURSES

The CCAC courses, which have been identified as transferable in meeting the CDN Prerequisite Course Requirements are listed on page 2.

*Note:*

The Introductory Nutrition course listed on page 2 as CDN/HRS 1006 is a human nutrition course offered by the CDN Department to meet specific accreditation standards of education. A review of the course objectives and syllabus for the CCAC course, DIT 106 Nutrition Care 1, indicates that this course is equivalent to CDN/HRS 1006 and therefore is the course that is accepted as the transferable introductory nutrition course. The Bio 117 Nutrition course is not accepted as equivalent.

TRANSFERABLE PROFESSIONAL LEVEL COURSES

Courses completed by graduates of the CCAC DIT accredited program which are transferable for advanced standing in the CDN program are listed on page 3.

Articulation Agreement between the
Community College of Allegheny County
and the
University of Pittsburgh
School of Health and Rehabilitation Sciences

October, 1999
We the undersigned, representing Community College of Allegheny County and the University of Pittsburgh, hereby agree to abide in good faith by the following agreement.

Roy Flores, Ph.D.
President
Community College of Allegheny County

Walt A. Stoy, Ph.D., EMT-P
Program Director, Emergency Medicine Program
University of Pittsburgh, School of Health and Rehabilitation Sciences
Articulation Agreement
Between
Community College of Allegheny County
and
University of Pittsburgh
School of Health and Rehabilitation Sciences
Emergency Medicine Program

The Community College of Allegheny County (CCAC) and the School of Health and Rehabilitation Sciences (SHRS) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure that transfer students be treated on an equal basis, and to make the full resources of both institutions available to the students, the colleges enter into the following articulation agreement.

There are three options for CCAC students interested in the University of Pittsburgh's School of Health and Rehabilitation Sciences Bachelors Program in Emergency Medicine: 1) CCAC Parallel EM Program, 2) CCAC EM Prerequisite Program, and 3) CCAC Paramedic Program. This flexibility provides the opportunity to meet as many students' needs as possible.

CCAC Parallel EM Program

The CCAC Parallel EM Program is designed to enable the student to take all of the prerequisites for the EM program and paramedic certification at CCAC, and transfer to the University of Pittsburgh to complete the requirements for the Bachelors Degree. Upon completion of the CCAC Parallel EM Program specified in this document, a student may expect to:

1. Complete all program prerequisite coursework and paramedic certification at the Community College of Allegheny County.

2. Be guaranteed admission to the School of Health and Rehabilitation Sciences provided that:
   a. an overall quality point average of 2.80 on a 4.00 scale has been attained at CCAC in the CCAC/SHRS Prerequisite Program coursework, and
   b. Successfully complete the paramedic program and become Nationally Registered as an EMT-Paramedic.

Important Note: students who meet the above requirements are guaranteed admission to SHRS.

All others (those with lower grade point averages and/or fewer credits) are still eligible to apply for transfer admission. Admissions decisions will be made after an individual review of each student's record. Although students are encouraged to complete the
Associate Degree at CCAC, it is not required for admission to SHRS.

3. Have the courses specified as EM Program Prerequisites accepted for transfer by the University of Pittsburgh, School of Health and Rehabilitation Sciences. To transfer, all courses must be completed with a grade of C or better.

4. Have all of the credit courses that are accepted by the School of Health and Rehabilitation Sciences applied to the attainment of the Bachelor of Science in Emergency Medicine (BSEEM) degree, thus resulting in the student receiving 64 credits and junior status in SHRS.

5. Receive 16 advanced standing credits for the clinical component of the Paramedic program.

6. Receive one credit of advanced standing for Trauma Lab (EM1121) for BTLS certification.

7. Have the opportunity to obtain up to 23 credits toward their EM degree through an exam challenge process.

8. Be required to complete a summative field evaluation (EM1140) of 1-3 credits.

9. Complete the remaining required coursework at the University of Pittsburgh.

CCAC EM Prerequisite Program

The CCAC EM Prerequisite Program is designed to enable the student to take all of the prerequisites for the EM program at CCAC, and transfer to the University of Pittsburgh to complete the requirements for the Bachelor's Degree. Upon completion of the CCAC EM Prerequisite Program specified in this document, a student may expect to:

1. Complete all program prerequisite coursework at the Community College of Allegheny County.

2. Be guaranteed admission to the School of Health and Rehabilitation Sciences provided that the overall quality point average of 2.80 on a 4.00 scale has been attained at CCAC in the EM Prerequisite Program coursework.

Important Note: students who meet the above requirements are guaranteed admission to SHRS. All others (those with lower grade point averages and/or fewer credits) are still eligible to apply for transfer admission. Admissions decisions will be made after an individual review of each student’s record. Although students are encouraged to complete the Associate Degree at CCAC, it is not required for admission to SHRS.
3. To have the courses specified in the CCAC EM Prerequisite Program accepted for transfer by the School of Health and Rehabilitation Sciences. To transfer, all courses must be completed with a grade of C or better.

4. To have all of the credit courses that are accepted by the School of Health and Rehabilitation Sciences applied to the attainment of the Bachelor of Science in Emergency Medicine (BSEM) degree, thus resulting in the student receiving 64 credits and junior status in SHRS.

CCAC Paramedic Program

The CCAC Paramedic Program is designed to enable the student to take their paramedic certification at CCAC, and transfer to the University of Pittsburgh to complete the requirements for the Bachelors Degree. Upon completion of the CCAC Paramedic Program a student may expect the to:

1. Complete the paramedic program at the Community College of Allegheny County.

2. Complete all EM program prerequisites at the University of Pittsburgh.

3. Be guaranteed admission to the School of Health and Rehabilitation Sciences provided that:
   a. an overall quality point average of 2.50 on a 4.00 scale has been attained in Prerequisite coursework, and
   b. Successfully complete the paramedic program and become Nationally Registered as an EMT-Paramedic.

*Important Note:* students who meet the above requirements are guaranteed admission to SHRS.

All others (those with lower grade point averages and/or fewer credits) are still eligible to apply for transfer admission. Admissions decisions will be made after an individual review of each student’s record. Although students are encouraged to complete the Associate Degree at CCAC, it is not required for admission to SHRS.

4. Upon acceptance into the SHRS Bachelors Program in Emergency Medicine Program, the student can expect to:
   a. Receive 16 advanced standing credits for the clinical component of the Paramedic program.
   b. Receive one credit of advanced standing for Trauma Lab (EM1121) for BTLS certification.
   c. Have the opportunity to obtain up to 23 credits toward their EM degree through an exam challenge process.
   d. Be required to complete a summative field evaluation (EM1140) of 1-3 credits.
a. Complete the remaining required coursework at the University of Pittsburgh.

Student Services

Students transferring from the Community College of Allegheny County to the University of Pittsburgh will be treated on an equal basis with other University of Pittsburgh students with regard to the awarding the distribution of financial aid, campus housing, selection of courses and other student services.

Admissions Process

Students who are pursuing the Bachelor of Science in Emergency Medicine will follow the program specified in this document. Once complete, the student will complete the University of Pittsburgh Transfer Application, and submit it, along with all required official academic transcripts and documents to the University of Pittsburgh.

(Complete instructions for transfer application are included in the application booklet. The booklet may be obtained from either CCAC or SHRS. Provided that the student has met the requirements specified earlier, he/she will be accepted into the School of Health and Rehabilitation Sciences.

Letter of Intent (Optional)

Students who would like to identify themselves to the School of Health and Rehabilitation Sciences as a Prerequisite or Parallel Program participant may do so by completing the attached Letter of Intent and sending it to SHRS. Participation is optional, but offers certain benefits, including:

* Invitations to events taking place in the Emergency Medicine Program (including pre-hospital grand rounds, speakers, receptions, and other programs)
* Inclusion in the EM Program e-mail distribution list, which provides announcements and up-to-date information about developments in SHRS.
* Direct access to a SHRS academic advisor, for questions about coursework, deadlines, transfer policies, and other issues that may arise.

CCAC/SHRS Parallel Program
Non-Binding Letter of Intent (Optional)

Please Type or Print Clearly
Check one:  
___ Mr.
___ Mrs.

Name: (Last, First, Middle): ________________________________
Social Security Number: ______________________________________

Permanent Address: _______________________________________
Temporary Address (if any) valid until ___ / ___ / ___

____________________________________________________________________

Telephone: __________________________ Telephone: __________________________

E-mail Address: _____________________________________________

I plan to pursue the Parallel Program EM offered by the Community College of Allegheny County and the University of Pittsburgh School of Health and Rehabilitation Sciences.

I plan to pursue the EM Prerequisite Program offered by the Community College of Allegheny County and the University of Pittsburgh School of Health and Rehabilitation Sciences.

I plan to pursue the Paramedic Program offered by the Community College of Allegheny County and pursue the Bachelor's Degree in Emergency Medicine offered by the University of Pittsburgh School of Health and Rehabilitation Sciences.

I am aware that signing this Letter of Intent does not bind me to this academic plan. It is simply a means of notifying the School of Health and Rehabilitation Sciences of my interest at this point.

Please include me in the e-mail distribution list for parallel program participants. I would like to be notified and invited to upcoming events in the School of Health and Rehabilitation Sciences. I am aware that, as a program participant, I will have direct access to a SHRS academic advisor who can assist me with academic planning and any questions that I have about the program.
