This agreement is between:

The University of Pittsburgh at Bradford
and
Jamestown Business College

The University of Pittsburgh at Bradford (UPB) and Jamestown Business College (JBC) set forth the conditions upon which UPB will consider graduates of the Associate in Applied Science in Business Administration/Marketing and Management option program at JBC for admission into UPB’s Bachelor of Science in Business Management program. This document sets forth those conditions, which the parties hereby agree to.

A. Rationale for the purpose of the articulation agreement

This agreement applies only to the Associate in Applied Science in Business Administration/Marketing and Management option program that is currently constituted and delivered at JBC as of the 2002 - 2003 academic year. The purpose of this agreement is to make available to the Associate in Applied Science in Business Administration/Marketing and Management option graduates of JBC the opportunity to pursue a Bachelor of Science in Business Management.

B. Description of how the agreement may be renewed or terminated

1. JBC agrees to promptly notify UPB upon any substantive curriculum modification to the Associate in Applied Science in Business Administration/Marketing and Management option program, and further agrees that the terms of this agreement will no longer hold unless UPB provides a written approval that the curriculum changes do not alter the intent of this agreement.

2. UPB agrees to provide JBC with information about the Bachelor of Science in Business Management program of study and any changes to the curriculum, should they occur. Conditions for admission into the Bachelor of Science in Business Management program are stipulated in section C of this document.

3. The terms of this agreement shall remain in effect, except as stipulated in certain previous terms as listed herein, until terminated by either party. Any party may terminate the agreement with or without cause, on the provision of 120 days written notice to the other parties.

C. Admission requirements and transfer of academic credits

1. UPB agrees that graduates of the Associate in Applied Science in Business Administration/Marketing and Management option program meet the admissions standards of the Bachelor of Science in Business Management program given that they satisfy the following conditions:

   a. Successful completion of 73 transferable credits with a grade of "C" = 2.0 grade points or better:

   b. A cumulative grade point average (GPA) of 2.5 or better.

   c. Students must meet UPB conduct standards in regard to known behavioral problems.

2. UPB agrees that JBC’s Associate in Applied Science in Business Administration/Marketing and Management option graduates who meet the above admissions standards and complete the application and deposit requirements by May 1 will be admitted into the Bachelor of Science in Business Management program.

JBC students who complete the required and recommended courses in this agreement with grades of "C-" or higher will be admitted to UPB with junior standing.
Courses to be transferred and courses remaining for completion of the Bachelor of Science in Business Management

Courses required from Jamestown Business College
