Articulation Agreement
Between
Mount Aloysius College and The University of Pittsburgh
For matriculation of students into
The University of Pittsburgh Master of Occupational Therapy Program

We do hereby agree to the following considerations concerning the pre-occupational therapy students at Mount Aloysius College who wish to enroll at The University of Pittsburgh for the purpose of matriculation into the Master of Occupational Therapy (M.O.T.) program.

1. The Bachelor of Professional Studies will be awarded by Mount Aloysius College upon the completion of all program requirements.

2. The Master of Occupational Therapy degree will be awarded by The University of Pittsburgh upon completion of all Master of Occupational Therapy program requirements.

3. Each pre-occupational therapy student from Mount Aloysius College who declares an intent to complete the Master of Occupational Therapy Program at The University of Pittsburgh shall be advised by assigned members of the faculty from Mount Aloysius College with consultation from occupational therapy faculty from The University of Pittsburgh during his or her time at Mount Aloysius College.

4. Satisfactory completion of a baccalaureate degree will be required prior to enrollment at The University of Pittsburgh.

If all of the following criteria are met, Mount Aloysius College students will be guaranteed acceptance into The University of Pittsburgh Master of Occupational therapy Program:

i. A minimum grade of C in each prerequisite course.
ii. An overall grade point average of 3.00 on a 4.0 scale.
iii. A minimum prerequisite grade point average of 3.00 on a 4.0 scale.
iv. Completion of all The University of Pittsburgh Master of Occupational Therapy prerequisite or collateral requirements (or their equivalents) which include: a minimum of 20 hours of volunteer or paid work experience in two different occupational therapy practice areas; three (3) letters of reference (one from an occupational therapist and one from a Mount Aloysius College instructor); self-evaluation essay, and the Graduate Record Examination General Test.

5. Upon completion of the junior year at Mount Aloysius, a pre-occupational therapy student should complete an application to The University of Pittsburgh clearly indicating the intent to enroll in the Master of Occupational Therapy program.
6. Any exceptions must have approval of both institutions.

7. All advertising materials promoting this articulated program will be mutually agreed upon by representatives from both institutions prior to publication.

8. This agreement will be reviewed annually (in May) by both institutions or any time program changes are to be made by either institution. Any program changes will be identified and incorporated into subsequent agreements.

9. Termination of this agreement may be requested by either Mount Aloysius College or The University of Pittsburgh, provided that the other institution is given written notice at least six months in advance of the termination date. The termination of this agreement will not affect the enrollment of students who have applied and met the requirements for admission into the Master of Occupational Therapy program at the University of Pittsburgh.
