GREETINGS!

Thank you for your interest in the graduate and professional programs offered by the University of Pittsburgh (Pitt).

The Office of International Services (OIS) has prepared this packet of information to facilitate the preparation and issuance of the required visa documents to enable international graduate students to engage in programs of study at Pitt.

In order to ensure the process goes smoothly and is completed within a timely manner, it is extremely important that you read the materials in this packet very carefully and follow the instructions. This will avoid delays in the processing of your visa documents once you have been admitted to the program.

If you have any questions or need additional information, please visit http://www.pitt.edu/~ois.

The Process for Issuing Visa Documents for International Students

1. You must submit all application materials directly to the graduate program to which you are applying.

2. The amount of time that it takes for a submitted application to be reviewed and an admission decision made ranges anywhere from several weeks to several months. Admission decisions are not made in the Office of International Services.

3. Once an admission decision is made, and upon receipt of a copy of an admission letter from the school, department or program, your financial support information will be reviewed in the Office of International Services.

4. If the financial support information submitted is acceptable, a visa document is then prepared and sent to you.

INSTRUCTIONS

Please review the following instructions before completing and signing this form.

1. Review the cost estimates and the estimated length of the degree program to which you are applying.
2. Complete the certification indicating the amount of support that will be provided from each source for each year of the program.

5. All proof of financial support must be an original document.
6. All financial resources must be in liquid assets. Stocks, bonds, or other investments with cash value may be accepted if evidenced by a portfolio on the managing firm’s letterhead. Real estate or other non-liquid asset such as automobiles, jewelry, or other personal property cannot be used as a source of financial support under any circumstances.
7. Please be aware that evidence of financial support must also be shown to the U.S. Embassy or Consulate when applying for a visa. Therefore, you will need to have two sets of financial support documents—one to submit to the University of Pittsburgh and one for the U.S. Embassy or Consulate.
