

June 1, 2005

Name: Lisa S. Parker

Birthdate: September 22, 1962

Birthplace: South Bend, Indiana

Citizenship: United States

Office address: Center for Bioethics and Health Law  
University of Pittsburgh  
Medical Arts Building - Suite 300  
3708 Fifth Avenue  
Pittsburgh, PA 15213  
Telephone: 412/647-5780  
Telefacsimile: 412/647-5877  
email: lisap@pitt.edu

Home address: 951 Wellesley Road  
Pittsburgh, PA 15206  
Telephone: 412/361-5704

### **EDUCATION AND TRAINING**

1980-1984	Hillsdale College, Hillsdale, Michigan	B.A., 1984, Philosophy
1984-1990	University of Pittsburgh, Pittsburgh, Pennsylvania	M.A., 1986 Ph.D., 1990 Kurt Baier, Philosophy
1991	Short Course in Medical and Experimental Mammalian Genetics. The Jackson Laboratory and The Johns Hopkins University. Bar Harbor, Maine.	

---

**APPOINTMENTS AND POSITIONS**

1990	Division of General Internal Medicine University of Pittsburgh Pittsburgh, Pennsylvania	Visiting Assistant Professor
1990-1991	Department of Philosophy University of Tennessee Knoxville, Tennessee	Assistant Professor
1991-Present	Department of Human Genetics University of Pittsburgh Pittsburgh, Pennsylvania	Associate Professor (7/1/98)
	Department of History and Philosophy of Science University of Pittsburgh	(1991-1998)
	Department of Behavioral and Community Health Sciences (formerly a division of Health Services Administration) University of Pittsburgh	(1996-present)
	Women's Studies Program, University of Pittsburgh	(2001-present)
	Center for Bioethics and Health Law (formerly Center for Medical Ethics) University of Pittsburgh	Director of Graduate Education (1991-present)
2000-Present	Interdisciplinary Master of Arts in Bioethics, Center for Bioethics and Health Law and the Faculty of Arts and Sciences, University of Pittsburgh	Program Director
1999-Present	Program in Health Care Ethics Duquesne University, Pittsburgh, PA	Associate Professor

**MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES**

1984-Present	American Philosophical Association
1988-1997	Society for Values in Higher Education
1989-1997	Society for Health and Human Values (SHHV)
1989-Present	Sigma Xi, Full Member (elected 1995)

---

1991-Present	Center for Philosophy of Science, University of Pittsburgh
1992-Present	Association for Practical and Professional Ethics
1992-1997	American Association of Bioethics, Founding Member
1995-Present	International Association of Bioethics
1995-Present	International Network for Feminist Approaches to Bioethics
1997-Present	American Society of Bioethics and Humanities (formerly SHHV)
2000-Present	National Society of Genetic Counselors

### HONORS

1984	Summa Cum Laude, Hillsdale College, Hillsdale, Michigan
1984-1986	Andrew Mellon Fellowship in the Humanities, Woodrow Wilson Foundation
1984-1989	Claude R. Lambe Fellowship, Institute for Humane Studies, George Mason University, Fairfax, Virginia
1989-1990	Andrew Mellon Dissertation Fellowship, Woodrow Wilson Foundation
1990	Nellie Westerman Prize in Ethics, American Federation for Clinical Research

### PUBLICATIONS

(\* indicates the co-author is a student at the time of manuscript preparation)

## PROFESSIONAL ACTIVITIES

### Teaching

#### **Courses taught (full responsibility, except as noted):**

*University of Tennessee (1990-1991)*

Medical Ethics (advanced undergraduate seminar)

The Human Condition: Reality and Values (introductory undergraduate course)

---

Philosophy of Law (graduate seminar)

*University of Pittsburgh (1991-present)*

Bioethics (formerly Medical Ethics), HuGen 2041/BIOETH 2664 (formerly HPS 2664; 3 credit graduate seminar)

Spring 1992: 5 students

Spring 1993: 12 students

Spring 1995: 4 students

Fall 1995: 5 students

Fall 1996: 6 students

Fall 1997: 12 students

(Revised for the Chancellor's Seminar on Diversity, Spring 1997)

Fall 1998: 8 students

Fall 1999: 10 students

Fall 2000: 9 students

Fall 2001: 14 students

Fall 2002: 13 students

Fall 2003: 11 students

Fall 2004: 19 students

Clinical Ethics Seminar, BIOETH 2604 (formerly HPS 2604; graduate seminar in the 3 credit Clinical Practicum, Master's Program in Medical Ethics)

Summer 1992: 10 students

Summer 1993: 12 students

Summer 1994: 8 students

Summer 1995: 4 students

Summer 1997: 8 students

Summer 1998: 5 students

Summer 1999: 6 students

Summer 2000: 6 students

Special Topics in Bioethics, HuGen 2043/BIOETH 2698 (3 credit graduate seminar or directed study, except as noted)

Spring 1993: 1 student, Issues in Organ Transplantation

Spring 1996: 1 student, HIV Screening of Pregnant Women

Spring 1997: 1 student, Feminist approaches in Bioethics

Spring 1998: 2 students, Ethical and Philosophical Issues in Genetics

6 students, Feminist Approaches in Bioethics

Spring 1999: 20 students, Ethical and

- Philosophical Issues in Genetics
- Spring 2000: 1 student, Feminist Approaches in Bioethics
- Spring 2001: 17 students, Ethical and Philosophical Issues in Genetics
- Spring 2003: 6 students, Women, Health, and Bioethics
- 18 students, Ethical and Philosophical Issues in Genetics
- Spring 2004: 4 students, Gender, Ethics, and the Body
- 4 students, Narrative Ethics and Medicine, 2 cr.
- Spring 2005: 19 students, Ethical and Philosophical Issues in Genetics
- Spring 2005: 4 students, Gender, Ethics, and the Body

Human Genetics Seminar: Ethical, Legal, and Social Issues, HuGen 2044/HPS 2612 (3 credit graduate seminar; 50% responsibility)

- Spring 1994: 18 students
- Spring 2000: 9 students

Directed Reading, BIOETH 2902 (1-3 credit graduate tutorial)

- Spring 1998: Paul Han, MD; Genetics, Ethics, and Preventionism, 3 cr.
- Summer 2001: 5 students, Feminist Approaches in Bioethics, 3 cr.
- Spring 2003: Sandi Elnicki, MS; Ethics of Newborn Screening, 3 cr.
- Spring 2005: V. Mishra, PhD; Ethical Issues in Medical Genetics
- Spring 2005: 4 students, Ethics and Genetic Research
- Summer 2005: V. Mishra, PhD; Ethical Issues in Research
- Summer 2005: Marta Kolthoff, MD; Prenatal Genetics, Preimplantation Diagnosis, and Enhancement, 3 cr.

---

M.A. Thesis Research, BIOETH 2904 (3 cr. graduate seminar for students in Bioethics Program, 100% responsibility, except as noted)

Fall 1997: 6 students (50% responsibility)  
Fall 1998: 4 students  
Spring 1999: 4 students  
Fall 1999: 4 students  
Spring 2000: 4 students  
Fall 2000: 4 students  
Spring 2000: 4 students  
Fall 2001: 5 students  
Spring 2002: 5 students  
Fall 2002: 4 students  
Spring 2003: 4 students  
Fall 2004: 3 students

Genetics and Ethics Discussion Group (non-credit, voluntary participation seminar)

Fall 1999: 12 students  
Spring 2000: 12 students  
Fall 2000: 12 students  
Spring 2001: 13 students  
Fall 2001: 12 students  
Spring 2002: 12 students  
Spring 2003: 16 students  
Fall 2003: 12 students  
Spring 2004: 14 students  
Fall 2005: 16 students

Research Ethics, HSAdm 3012/BIOETH 2665 (1 credit graduate seminar; 50% responsibility)

Spring 1999: 12 students  
Spring 2000: 20 students  
Spring 2001: 16 students

Ethics and Regulation of Clinical Research (1 credit graduate seminar, 50% responsibility)

Spring 2002: 2 students

Independent Study, BIOETH 2990 (1-3 credit graduate tutorial, 100% responsibility)

Spring 2000: Andrea Klufas, Feminist Approaches in Bioethics, 3 cr.  
Spring 2002: Gabriella Gosman, IVF and the Public/Private, 2 cr.  
Angela Fortunato, Conceptions of Autonomy, 2 cr.

---

Special Topics in Women's Studies: Feminist Approaches in Bioethics, WOMST 2240 (3 credit graduate seminar)

Spring 2002: 9 students

Conceptual Foundations and Ethics of Public Health, PUBHLT ##### (3 credit graduate seminar) Approved by the Education Policies and Curriculum Committee of the GSPH January 5, 1998.

**Other University of Pittsburgh teaching:**

  87. "Confidentiality and Managed Care Concerns." 3<sup>rd</sup> Year Medical Students, June 10, 2002.
  88. End of Life Issues. Medicine, Ethics, and Society, School of Medicine, August 28, 2002.
  89. "Confidentiality and Managed Care Concerns." 3<sup>rd</sup> Year Medical Students, September 23, 2002.

90. Medicine, Ethics and Society. October 9, October 16, 2002.
91. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 6, 2002.
92. "Women and End-of-Life Decisionmaking." UPMC-Shadyside Residency Program, January 10, 2003.
93. "Ethical Issues in Cytogenetics." Chromosomes & Human Disease (HuGen 2031), November 7, 2003.
94. "Ethical Issues in Study Design." Psychiatric Epidemiology and Alcohol Research Training Programs Research Methods Seminar, Department of Psychiatry, April 2, 2004.
95. "Genetics in Clinical Care: Ethical and Professional Challenges." 4<sup>th</sup> Year Medical Students, May 10, 2004.
96. "Ethical Issues in Counseling about Cytogenetic Concerns." Chromosomes & Human Disease (HuGen 2031), October 27, 2004.
97. "Reproductive Cloning: Ethical Considerations." German Children's Literature, November 30, 2004.
98. "Selection of Research Subjects for Trial of Putative Inferior Therapies: Considerations of Justice, Consent, and Benefit in Trials of Left Ventricular Assist Devices." MD/PhD Ethics Seminar, June 16, 2005.

**Continuing and community education:**

1. Discussion leader. Ethics and Resource Allocation: The Health Care Dilemma for the Nineties, sponsored by the Hospital Council of Western Pennsylvania, Warrendale, PA, October 2, 1989.
2. "Persons, Politics, and 'Living Wills.'" The Carnegie-Mellon Faculty Club and the Pittsburgh College Club, Pittsburgh, PA, November 17, 1989.
3. Panel participant. The State of Graduate Education in Bioethics, Summer Bioethics Retreat, Lutsen, MN, June 30, 1990.
4. "Allocating Experimental Medical Therapies." Medical Ethics Grand Rounds, University of Tennessee Medical Center-Knoxville, Knoxville, TN, November 13, 1990.

- 
5. Panel participant. "Genetic Engineering: Tinkering with God's Plan?" East Liberty Presbyterian Church Colloquium, Pittsburgh, PA, March 2, 1991.
  6. "No Free Lunch: The Ethics of Pharmaceutical Marketing Practices." Medical Ethics Grand Rounds, University of Tennessee Medical Center-Knoxville, Knoxville, TN, May 14, 1991.
  7. Invited discussion participant. "Ethics, Economics, and Ecology." Liberty Fund Conference, Big Sky, MT, June 17-23, 1991.
  8. "The Humanities and the Professions." Mellon Fellows' Conference on Scholarship and Society, Bryn Mawr, PA, June 15, 1991.
  9. "Ethics of the Three Rs: Reading, Writing, and Research." Doctoral Student Organization Lecture Series, Graduate School of Public Health, November 21, 1991.
  10. "Ethical Issues in Human Genetics." Holiday Park Academy of Religious Studies. Pittsburgh, PA, October 29, 1991; Consortium Ethics Program, Hospital Council of Western Pennsylvania, Warrendale, PA, December 10, 1991.
  11. "Research Ethics and the Culture of Scholarship." Research Integrity Education Workshops, Graduate School of Public Health, February 13 and February 20, 1992.
  12. Pre-performance comments on *Miss Evers' Boys*. City Theater, Pittsburgh, PA, March 13, 1992.
  13. "Ethics of Academic Practices." Critical Care Medicine Grand Rounds, University of Pittsburgh Medical Center, Pittsburgh, PA, April 1, 1992.
  14. "Human Genetics: Medical Progress and Moral Problems." The Carnegie-Mellon Faculty Club and the Pittsburgh College Club, Pittsburgh, PA, April 3, 1992.
  15. "Ethical Issues in Clinical Genetics Practice." Modern Genetics for the Clinician, Pittsburgh, PA, April 4, 1992.
  16. "Genetic Screening, Genetic Discrimination: The Role of Health Care Providers." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, May 21, 1992.
  17. "Faculty Workshop on Research Integrity and Ethics." School of Health and Rehabilitation Sciences, May 29, 1992.

18. "Ethical Issues in a Cross-cultural Context." International and Cross-cultural Health Care, Hospital Albert Schweitzer, Chatham College, Pittsburgh, PA, August 8, 1992.
19. "Beauty and the Federal Beast: FDA Regulation of Silicone Breast Implants." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, September 10, 1992.
20. "Research Ethics and the Culture of Scholarship." Research Integrity Education Workshops, Graduate School of Public Health, January 14 and January 28, 1993.
21. "Human Genetics: Research, Ethics, and Public Policy." Lecture Series in Health Management and Policy, Graduate School of Public Health, February 18, 1993.
22. "Ethics as Applied to Medical Genetics." Medical Genetics: 1993 (American Board of Medical Genetics examination preparation course), University of Pittsburgh Medical Center, Pittsburgh, PA, May 23, 1993.
23. "Ethical Issues Raised by Genetic Technology and Knowledge." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, June 25, 1993.
24. "Medical Ethics: An Overview of Current Issues." Ohio Valley General Hospital, McKees Rocks, PA, January 11, 1994.
25. "Ethical Decision-making in an Era of Health Care Reform." University of Pittsburgh, Pittsburgh, PA, November 17, 1994.
26. "Public Health's Image of Women: Madonnas and Whores, Victims, Vessels, and Vectors." Ethics for Lunch, University of Pittsburgh Medical Center, Pittsburgh, PA, February 9, 1995.
27. "The Diseased and the Normal: Perspectives on Eugenics Past and Present." St. Francis Hospital, Pittsburgh, PA, February 23, 1995.
28. "Ethical Issues and the New Biology." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 25, 1995.
29. "Ethics of Molecular Diagnosis." Department of Pathology Lecture Series, University of Pittsburgh Medical Center, Pittsburgh, PA, November 2, 1995.
30. "Genetic Testing, Screening, and Enhancement: Ethical Considerations." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 17, 1996.

- 
31. "Truth-telling and Confidentiality: Challenges of Information Management." Consortium Ethics Program, Hospital Council of Western Pennsylvania, Warrendale, PA, January 20, 1997.
  32. "Wool Over Our Eyes: Why Concern about Cloning Hides the Real Issues." Academy for Lifelong Learning, Carnegie Mellon University, Pittsburgh, PA, April 14, 1997.
  33. "Ethical Issues in Genetics: A Philosophical Perspective." Human Genetics, St. Francis Medical Center and Duquesne University, Pittsburgh, PA, May 14, 1997.
  34. "Ethical Implications of Advances in Genetics." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 24, 1997.
  35. Review Panel member. Organ Transplantation Project. Department of Engineering and Public Policy, Carnegie Mellon University, Pittsburgh, PA, October 23, 1997.
  36. "Warhol and Wilmut: Aesthetics and Ethics in Response to Cloning." Andy Warhol Museum, Pittsburgh, PA, November 6, 1997.
  37. "Ethical Issues in Genetic Testing for Breast Cancer." University of Pittsburgh Cancer Institute, Pittsburgh, PA, December 2, 1997.
  38. Review Panel member. Organ Transplantation Project. Department of Engineering and Public Policy, Carnegie Mellon University, Pittsburgh, PA, December 5, 1997.
  39. "Individuals, Institutions, and Information: Challenges in Medical Ethics." Horizon Health System, Greenville, PA, January 23, 1998.
  40. "Gender and Authority in the Classroom." Office of Faculty Development, University of Pittsburgh, Pittsburgh, PA, March 24, 1998.
  41. Genetic Privacy Panel member. Good Government Day, a program of Pennsylvania State Senator Hart's Office, Community College of Allegheny County, Pittsburgh, PA, April 3, 1998.
  42. "Older Women's Health: Ethics, Estrogen, and the Environment — Bioethics' Help and Hindrance." Student Chapter of the American Geriatrics Society, Pittsburgh, PA, July 15, 1998.
  43. "Ethical Implications of Advances in Genetics." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 23, 1998.

- 
44. "Ethics in Research with Subjects with Diminished Decision-making Ability." American Association of Geriatric Psychiatry Summer Research Institute, Pittsburgh, PA, July 28, 1998.
  45. "Ethics in the Workplace." Human Resources Seminar Series, University of Pittsburgh, Pittsburgh, PA, October 29, 1998.
  46. "Ethics in Medicine and Research." Science Apprenticeship: Health and Technology, Pittsburgh, PA, December 8, 1998.
  47. "Genetics in the New Millennium: Old Questions for a Not-so-Brave, Not-so-New World." Ethics '99 "Ethics for the New Millennium" Rotary District 7300, Pittsburgh, PA, February 24, 1999.
  48. Panel Member. "Who's Afraid of Human Cloning?" La Roche College Center for the Study of Ethics, Pittsburgh, PA, April 9, 1999.
  49. "Ethical Issues in Clinical Practice and Research." Department of Radiology, University of Pittsburgh, Pittsburgh, PA, April 13, 1999.
  50. "Research Ethics." Undergraduate Research Group, Duquesne University, Pittsburgh, PA, June 4, 1999.
  51. "Ethical Implications of Advances in Genetics." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 22, 1999.
  52. "Clinical Research Ethics." Allegheny General Hospital Cancer Institute, Pittsburgh, PA, September 16, 1999.
  53. "Ethics in Medicine and Research." Science Apprenticeship: Health and Technology, Pittsburgh, PA, November 15, 1999.
  54. "Biomedical Ethics." Department of Radiology, University of Pittsburgh, Pittsburgh, PA, March 14, 2000.
  55. "Genetics in the New Millennium: Old Questions for a Not-so-Brave, Not-so-New World." Ethics 2000 Symposium, Rotary District 7300, Pittsburgh, PA, March 15, 2000.
  56. "Genetic Information and the Human Genome Project." Undergraduate Research Group Ethics Seminar, Duquesne University, Pittsburgh, PA, June 30, 2000.

- 
57. "Ethical Implications of Advances in Genetics." Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), Clarion University, Clarion, PA, July 20, 2000.
  58. "Ethics in Medicine, Public Health, and Research." Science Apprenticeship: Health and Technology, Pittsburgh, PA, November 14, 2000.
  59. "Abortion, Rights, and Personhood." Medical Students for Choice, University of Pittsburgh, Pittsburgh, PA, May 14, 2001.
  60. "Send in the Clones: Ethical and Aesthetic Responses to Human Cloning." College Club of Pittsburgh, Pittsburgh, PA, May 18, 2001.
  61. "Ethics in Medicine and Research." Science Apprenticeship: Health and Technology, Pittsburgh, PA, November 13, 2001.
  62. "Ethics of Genetic Testing with Children." Pediatric Research Ethics Seminar Series. Pittsburgh, PA, November 19, 2001.
  63. "Issues of Ethics and Identity: Diagnosis of Late Life Depression." Department of Geriatrics, Veterans Administration Hospital Oakland, Pittsburgh, PA, May 31, 2002.
  64. "Ethics and Public Health Genetics: Research Issues" Exploring Ethics and Public Health: An Intensive Workshop, Deerwood, MN, July 16, 2002.
  65. "Ethics and Public Health Genetics: Newborn Screening Issues" Exploring Ethics and Public Health: An Intensive Workshop, Deerwood, MN, July 17, 2002.
  66. "Values in Art and Science: Reflections on *Paradise Now*," Pittsburgh, PA, November 6, 2002.
  67. "In Honor of Dolly: Ethical Issues in Cloning." Health Careers Academy, Peabody Highschool, Pittsburgh, PA, March 4, 2003.
  68. "From Disease Genes to Blue Jeans: How Genetic Research Is 'Sold' to America." Ethics 2005 Symposium, Rotary District 7300, Pittsburgh, PA, March 26, 2003.
  69. "Genetic Engineering: False Fears or Real Problems?" Science and Technology Festival. Carnegie Science Center, Pittsburgh, PA, April 21, 2004.
  70. "Developing IRB Guidelines for Including Suicidal Patients in Psychiatric Research." with Charles F. Reynolds and Jamie Zelazny, Presentation to the IRB, University of Pittsburgh, February 18, 2005.

71. “Conducting Research with Suicidal Patients: Ethical Considerations.” with David Brent and Jamie Zelazny, IRB Workshop, University of Pittsburgh, March 18, 2005.

### **Interviews and popular media presentations:**

1. Interviewed for “Cloning,” by Barbara Bogave on *Radio Times*, a production of WHYY, Philadelphia, PA, March 3, 1997.
2. “Designer Children: Ethics and Genetics,” *UPMC Health News*, a production of WQED, Pittsburgh, PA, September 27, 1998.
3. Interviewed for “Online O. R.” by Michael J. Martinez, October 16, 1998. <http://www.abcnews.com/sections/tech/DailyNews/websurgery981016.html>
4. Interviewed for “An equal voice” by Anne Pavuk Wright, *American Medical News* 1999: 42(38):11-12.
5. Interviewed by Christine Wiebe, Medscape, regarding patients’ rights and informedness, November 29, 1999.
6. Interviewed for “Report: Gene therapy for hemophilia” by William Schiffmann, Associated Press, December 7, 1999.
7. Interviewed by Erica Erickson of New Hampshire Public Radio for a program on xenotransplantation, March 18, 2000.
8. Interviewed by John Brylar of *Clinical Trials Advisor* for an article on differences between biotechnology clinical trials and standard pharmaceutical clinical trials, March 18, 2000.
9. Interviewed for “Can you flag ‘rework’ and still get referrals?” *The Periodontist’s Office*, 2000: 2; 5-7.

### **Student and Trainee Supervision**

*Trainee supervision (post-doctoral fellowships, training grants)*

- |           |  |
|-----------|--|
| 2002-2007 | <b>India-U.S. Research Training Program in Genetics</b> , <i>training program faculty</i> , Fogarty International Center (NIH); 10% effort   |
| 2004-2007 | <b>Training Program for Psychiatric Genetics in India</b> , <i>training program faculty</i> , Fogarty International Center (NIH); 10% effort |

- 2004- Ariel Gildengers, MD, Post-Doctoral Research Fellow, Department of Psychiatry, Bi-polar Disorder in the Elderly, NIMH K01, *consultant on career development award*
- 2004- Francis Lotrich MD, PhD, Post-doctoral Research Fellow, Department of Psychiatry, Pharmacogenomics of Medication-Induced Depression, NIMH K23 Mentored Patient-oriented Research Career Development Award, *consultant and research ethics faculty mentor*
- 2004- Jennifer Hagerty Lingler, PhD, MA, Post-Doctoral Research Fellow – Department of Psychiatry
- 2004-2007 N. N. Mishra, PhD, Bioethics Trainee, Training Program for Psychiatric Genetics in India, *training program faculty*, Fogarty International Center (NIH)

*Thesis supervision (as director)*

- 1994-1995 Bethany Sgroi, MS Program in Genetic Counseling, “Values and Consult and Satisfaction: A Study of Nondirectiveness in Genetic Counseling.”
- 1994-1995 Rachel Ankeny Majeske, MA Program in Medical Ethics, “Ethical Issues in Candidate Selection.”  
Currently Director and Senior Lecturer, Unit for History and Philosophy of Science, University of Sydney ; portions of thesis published as “Transforming Objectively to Promote Equity in Transplant Candidate Selection” in *Theoretical Medicine*, Vol. 17:45-59, 1996.
- 1994-1996 Beth Chaitin, MSW, MA Program in Medical Ethics, “The Nature of Care in Nursing.”  
Currently Director, Medical Ethics and Palliative Care Services, UPMC-Shadyside Hospital, Pittsburgh, PA.
- 1994-1997 Athena Beldecos, MA Program in Medical Ethics, “On the Distinction between Standard and Experimental Therapy.”
- 1995 Maria Silvieri, MA Program in Medical Ethics, “Terminal Illness and Criteria for Physician-Assisted Death.”
- 1995-1996 Donald Ainslie, MA Program in Medical Ethics, “AIDS and the Need for a Critical Bioethics.”  
Currently Associate Professor of Philosophy, University of Toronto; portions of thesis under revision for *Kennedy Institute of Ethics Journal* and a winner of the Student Paper Prize of the Society for Health and Human Values.

- 
- 1995-1996 Daniel Crane-Hirsch, MA Program in Medical Ethics, “Responsibility and Mental Illness.”  
Graduate Harvard University School of Law.
- 1996-1999 Paul Han, MA Program in Medical Ethics, “Conceptual Premises and Ethical Problems of Preventive Interventionism.”  
Currently Assistant Professor of Medicine, Division of General Internal Medicine, Section of Palliative Care and Medical Ethics, University of Pittsburgh.
- 1997-1998 Laura Marie Odwazny, MA Program in Medical Ethics, “Conflicting Interests and Contested Committees: The Hospital Attorney Serving on the Hospital Ethics Committee.”
- 1999-2000 Jennifer B. Beck, MA Program in Bioethics, “Bioethics’ Focus on Autonomy: Distracting from Difference.”
- 2000-2001 Nathan Kottkamp, MA, JD, MA Program in Bioethics, “A Practical and Communitarian Critique of the Patients’ Bill of Rights.”  
Currently practicing law in Virginia; most recent publication: “Building Bridges Over Straddled Fences: The questionable Duty to Warn Third Parties about Genetic Risks and How to Discharge It,” *Journal of Medical Ethics*, 2001.
- 2000-2001 Jennifer Packing, MA Program in Bioethics, “The Obligation to Improve Medical Practice in the Health Care of Women: An Ethical Argument in Favor of the Women’s Health Specialty and a Feminist Practice of Medicine.”  
Currently working for Planned Parenthood, Florida.
- 2001- Megan Davis, MPH, MA Program in Bioethics, “Assisted Reproductive Technologies and Bioethical Frameworks: Conceptual Limitations of Liberal Individualism as Applied by Liberal Feminism and Principlism.”  
Currently pursuing a doctorate in Science Studies at George Washington University.
- 2001- Sandra Elnicki, Doctoral Program in Human Genetics, on ethical issues in genetic counseling.
- 2001-2003 Jennifer Hagerty Lingler, MA Program in Bioethics, “Conceptualizing Dementia as a Relationship-Transforming Illness”  
Paper based on third thesis chapter accepted for presentation at the 2002 national meeting of the American Society for Bioethics and Humanities, Baltimore, MD.
- 2002-2003 Kamran Samakar, MA Program in Bioethics, “A Child’s Right to an Open Future: An Account of the Open Future from the Perspective of Well-being”  
Began medical school at the University of Minnesota, August 2003.

- 
- 2002-2003 Amy Payne, MA Program in Bioethics, “Clinical Trials in Developing Nations: Meeting Urgent Health Care Needs of Participating Communities.”
- 2002-2004 Shanthi Trettin, MA Program in Bioethics, “Dualism of Embodied Identity: From Fashion to Medicine.”  
Psychiatry Resident, University of Pennsylvania.
- 2003 B. Harrison Levine, MFA, MD, Multi-disciplinary Master of Public Health Program, “Interpreting the Evolution of the clinical Ethics Teaching Program at the University of Pittsburgh School of Medicine Since 1986.”  
Began residency program in psychiatry at the University of Michigan, July 2003.

*Thesis committee participation*

- 1993-1998 Marie McConville Twal, Doctoral Candidate, Department of Health Services Administration, “Women’s Perceptions of the Value of Genetic Screening at Different Life Stages.”
- 1993 Susan YF Chen, MPH Program, “Lesbian Domestic Violence: A Framework Intervention in the Local Community.”
- 1997-2000 Ryan Sauder, MA Program in Medical Ethics, on justice in health care.
- 2000 Maggie Krum, MS Genetic Counseling, “Attitudes Toward Presymptomatic Testing for Huntington Disease: A Secondary Analysis.”
- 2000 Janice O’Connell, MS Genetic Counseling, “The Process of Childhood Genetic Testing: Parental Views and Intentions.”
- 2000-2002 Lisa Belicka Keranen, MA Program in Bioethics, “Taking Seriousness Seriously: An Analysis of Ethical Appeals Grounding Sanction Assignment for Research Misconduct.”  
Assistant Professor of Communication and Rhetoric, University of Colorado, Boulder.
- 2002- Melody Isinger, Doctoral Program in Health Care Ethics, Duquesne University, “Presumed and Inferred Consent: Instances of Assumed Beneficence”  
Fellow in Residency in Clinical Ethics, Royal Alexandra Hospital, Edmonton, Alberta.

- 
- 2003 Helen S. Nahouraii, DMD, Multi-disciplinary Master of Public Health Program, “The Development of a Survey of Oral Surgeons’ Drug Therapy Choices and Anesthesia Techniques.”  
Public health dentistry doctoral program, University of North Carolina.
- 2003 Anna Skold, Behavioral and Community Health Sciences Master of Public Health, “Adolescent Knowledge and Risk Perception of Sexually Transmitted Infections in the Pittsburgh Area.”  
Applying to medical school.
- 2003- Karen Frost-Arnold, PhD Candidate, Department of Philosophy, “Trust and Scientific Knowledge.”
- 2003- Gabriella Gosman, MD, MA Program in Bioethics, on teaching ethics in residency programs in assisted reproduction.
- 2004- Marcus Paroske, PhD Candidate, Department of Communication and Rhetoric, “The Rhetoric of AIDS Policy in South Africa.”

*Graduate Student Supervision*

- 1991-1992 Supervisor, Athena Beldecos, Graduate Research Assistant.
- 1992-1993 Supervisor, Lissa Wettick, Graduate Research Assistant.
- 1992 Clinical Mentor, John Jones and Rachel Majeske, Clinical Practicum, MA Program in Medical Ethics, Department of History and Philosophy of Science.
- 1993-1994 Supervisor, Molly Sear, Graduate Research Assistant.
- 1993-1996 Supervisor, Rachel Ankeny Majeske, Graduate Research Assistant.
- 1994 Supervisor, Kathleen Reilly, Research Assistant.
- 1994 Clinical Mentor, Daniel Crane-Hirsch, Clinical Practicum, MA Program in Medical Ethics, Department of History and Philosophy of Science.
- 1994-1995 Supervisor, Jennifer Bushee, Graduate Research Assistant.
- 1996-1997 Supervisor, Andrew S. Backe, Graduate Research Assistant.
- 1997 Clinical Mentor, Paul Han.
- 2000 Shanthi Trettin, School of Medicine Summer Research Program, “Competence Assessment in Adolescent and Geriatric Patients.”

---

*Undergraduate Supervision*

- 1992, 1993 Supervisor, Elizabeth Miller (Vassar College), Summer Intern, Center for Medical Ethics.
- 1993 Supervisor, Harold Brown, Walls Scholar and Summer Intern, University Challenge for Excellence Program.
- 1993 Supervisor, Rana Snipe, Public Health Careers Opportunity Program, “Detecting Phenylketonuria Through Newborn Genetic Screening: Its Ethical and Legal Implications.”
- 1994 Director, Stephen Bouffard (Indiana University of Pennsylvania), 6 credit independent study on ethics, genetics, and concepts of disease.
- 1994-1995 Supervisor, Christopher Wood, QUEST Program, “Prenatal Genetic Screening: Lessons from NIH Trial 076, Prenatal Use of AZT” and “Phenylketonuria: The Morality of Mandatory Screening and treatment.”
- 1998 Supervisor, Lingaire Nije, R.K. Mellon Summer Intern, Center for Medical Ethics.
- 1998 Supervisor, Shannon Duff, Center for Medical Ethics Summer Intern.
- 1999 Supervisor, Hilary Leeds, Center for Bioethics and Health Law Summer Intern.
- 1999 Supervisor, Kandice Lewis, University Challenge for Excellence Program, Center for Bioethics and Health Law Intern.
- 1999 Supervisor, Terry Roberts, Mellon Summer Intern, Center for Bioethics and Health Law.
- 2000 Supervisor, Courtland Longest, Center for Bioethics and Health Law Summer Intern.
- 2001-2002 Supervisor, Briana Mezuk, Bachelor of Philosophy Thesis, Honors College, University of Pittsburgh,. “The Ethos of Psychiatric Genetics and its Public Health Implications for Schizophrenia and Attention Deficit-Hyperactivity Disorder.”
- 2002 Supervisor, Hilary K. Alvarez, Summer Intern, Center for Bioethics and Health Law, “The Legacy of Tuskegee” curriculum module development project.
- 2003 Supervisor, Caitlin Jones, Summer Intern, Center for Bioethics and Health Law.
- 2004 Supervisor, Katherine Matson, Spring Intern, Center for Bioethics and Health Law.

2004 Supervisor, Caitlin Jones, Summer Intern, Center for Bioethics and Health Law.

### **Research and Training**

#### **Grants received:**

**Genetic Diversity, Race, and Gender in Public Health Care and Research: A Curriculum Development Project**

Graduate School of Public Health New Initiatives and Diversity Fund,  
University of Pittsburgh

\$6,593 1998-99

**Ethical Issues in Lung Transplantation, *principal investigator***

University of Pittsburgh Lung Transplant Recipients Fund for Philanthropic  
Projects; \$10,000/year; 1993-94, 1994-95

**Nondirective Counseling and the Mysteries of Life: A Study of the Moral and Religious Dimensions of Genetic Counseling, *principal investigator***

Society for Health and Human Values; \$2,000; 1993-94

**Ethics Education in Public Health, *co-investigator***, Association of Schools of  
Public Health and Health Resources and Services Administration, 1999-2002

**Psychosocial Issues in Umbilical Cord Blood Donation, *co-investigator***, NHLBI,  
\$1,669,225; 5% effort; 2002-2005

**India-U.S. Research Training Program in Genetics, *training program faculty***,

  25. \*Broyles LM, Parker LS. "Ethical Considerations for Institutional Review Board Evaluation of Protocols for Genetic Research on Substance Abuse." National Academy of Sciences Conference for the National Institute on Drug Abuse (NIDA), Washington, DC, November 13-14, 2003.
  26. "Informed Consent: Cornerstone of Bioethics, Triumph of Autonomy?" Hillsdale College, Hillsdale, MI, April 5, 2004.
  27. "Genetic Findings, Ethical Issues, and Social Practices." Hillsdale College, Hillsdale, MI, April 5, 2004.
  28. Degenholtz H, **Parker LS**, Reynolds CF. "Trial Design and Informed Consent for a Clinic-based Study With a Treatment as Usual Control Arm: The Prospect Study." Current Controversies in Medical Ethics Conference, University of Pittsburgh Medical Center, Pittsburgh, PA, April 26, 2004.
  29. "The Ethics of Gene Therapy." National Society of Genetic Counselors Regional Meeting, Pittsburgh, PA, April 30, 2004.

30. "Ethical Issues in Tissue Banking and Analysis." National Surgical Adjuvant Breast and Bowel Project (NSABP) Group Meeting," Toronto, Canada, June 27, 2004.
31. "Ethics and Informed Consent in Psychiatric Research," Contemporary Research Strategies for the 21<sup>st</sup> Century Clinician in Private Practice." Indian Association of Private Psychiatry and the Fogarty International Center (NIH), New Delhi, India, July 26, 2004.
32. "The Human Genome Project: Ethical Considerations." St. Vincent College, Latrobe, PA, October 6, 2004.
33. "Are We Obligated to Report Early Benefit? Considerations and Context." Magee-Womens Breast Cancer Program of UPMC Cancer Centers, Pittsburgh Athletic Association, Pittsburgh, PA, October 13, 2004.
34. "Ethics and Engagement with Communities in Research." Annual Meeting of the Project among African-Americans to Explore Risks for Schizophrenia (PAARTNERS), Birmingham, AL, November 5-6, 2004.
35. "Conflict of Interest Policies and the Problem of Indirect Benefit." American Society for Bioethics and Humanities, Albany, NY, April 7-9, 2005.

**Research seminars and working groups:**

1. Invited seminar participant. Liberty and Responsibility: Psychiatry in the Twenty-first Century. Liberty Fund Conference. Key Biscayne, FL, January 2-5, 1992.
2. "Family Law, Family Dynamics, and the Possibility of Coercion in Family Studies." (with CW Lidz). Commissioned Position Paper. NIH-OPRR Conference on Human Subjects in Genetic Research Involving Families, National Institutes of Health, Bethesda, MD, October 5, 1992.
3. Invited seminar participant. Religion, Morality and the Professions in America: A National Seminar, a three-year project of the Poynter Center for the Study of Ethics and American Institutions, Indiana University, Bloomington, IN, with the support of the Lilly Endowment, May 13-14, 1993; October 15-16, 1993; February 17-18, 1994; May 12-13, 1994; September 22-23, 1994; February 16-17, 1995; May 11-12, 1995; September 13-15, 1995.

4. "Religious and Moralized Language and Images in Genetic Counseling." Paper contributed to the Seminar on Religion, Morality and the Professions in America: A National Seminar, a three-year project of the Poynter Center for the Study of Ethics and American Institutions, Indiana University, Bloomington, IN, May 12, 1994.
5. Invited panel participant. Special Subcommittee of the Circulatory Support Committee of the Society of Thoracic Surgeons, in cooperation with the Food and Drug Administration, charged with drafting guidelines for pre-market approval of circulatory support devices, Bethesda, MD, October 13-15, 1995.
6. Invited workshop participant and speaker. Commentary on DW Brock's: "The Genetics of Behavior and Concepts of Free Will and Determinism." The Snowbird Workshop on Genetic Testing and Screening for Mental Health Disorders. ELSI-HGR, University of Utah, Center for Human Genome Research, and The Snowbird Institute. Snowbird, UT, June 5-9, 1996.
7. Selected seminar participant. Chancellor's Seminar on Diversity: Incorporating Race and Gender Literature in the Curriculum. University of Pittsburgh, Pittsburgh, PA, May 12-23, 1997.
8. Invited panelist. Symposium: Privacy, Property and Family in the Age of Genetic Testing. Harvard Journal of Law and Technology. Harvard Law School, Cambridge, MA, May 2, 1998.
9. Invited participant. "Control Groups in Psychosocial Interventions Research: Ethical and Methodological Issues." National Institute of Mental Health Workshop. Tysons Corner, VA, November 30 - December 1, 1999.
10. Invited seminar participant. "Freedom and Responsibility in the New Genetics." Liberty Fund Conference. Houston, TX, January 11 - 14, 2001.
11. Invited participant. "Bioethics." Social Philosophy and Policy Center, Bowling Green State University, Bowling Green, OH, April 19-21, 2001.
12. Seminar leader. "Post-mortem Sperm Procurement: Feminist Considerations." Hancock, MA, June 20, 2001.
13. Invited participant. "From Dialogue to Action: Joining Hands to Eliminate the Burden of Cancer in Pennsylvania." Pennsylvania Department of Health, Harrisburg, PA, November 7-9, 2001.
14. Invited participant. "Ethical Challenges in Teaching Professional Ethics." Emory University, Atlanta, GA, May 22, 2002.

15. "Ethical Issues in Genetic Research on Behavioral Conditions," Research Seminar, Dalhousie University, November 1-3, 2002.
16. Invited participant. Pennsylvania Department of Health, Newborn Screening Technical Advisory Committee meeting, January 29, 2003.
17. Invited participant. "Children, Responsibility, and Liberty." Liberty Fund Conference. La Jolla, CA, February 20-23, 2003.
18. "Research Ethics: Foundations, Principles, and Challenges." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.
19. "In the Beginning: The Elements and Context of Informed Consent." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.
20. "Nearing the End: Storing Data/Samples and Publishing Results." Genetic Epidemiological Methods for Dissection of Complex Human Traits, Kolkata, India, June 2-11, 2003.
21. "Report on the Bioethics Training Component University of Pittsburgh's Two Training Grants in Genetics with Colleagues in India." Bioethics-Genetics Network Meeting, Division of International Training and Research Fogarty International Center, National Institutes of Health, NIH Campus, Bethesda, MD, October 25-26, 2004.

### Service

#### **National Service:**

1992	Office of Protection from Research Risk Committee to Draft Guidelines on Use of Human Subjects in Genetic Research Involving Families	Invited Panelist
1993, 1995, 1996, 1997, 1998, 1999	Biotechnology Initiative for Systematic Change in the Teaching of Science (BISCITS), a project of the National Science Foundation	Ethics Educator
1995	Society of Thoracic Surgeons, Special Subcommittee of the Circulatory Support Committee, and the Food and Drug Administration, Joint Project to Draft Guidelines for Pre-Market Approval of Circulatory Support Devices	Member
1997-2001	Committee on Philosophy and Medicine, American Philosophical Association	Member
2000	Committee on Philosophy and Medicine, American Philosophical Association — Symposium: “Medical Genetics and Philosophy: Mutating Concepts, Evolving Disciplines,” Pacific Division meeting, Albuquerque, NM, April 8, 2000	Convener
1999-2002	Association of Schools of Public Health Working Group on Ethics in Public Health	Co-Investigator
2000	Association of Schools of Public Health Working Group on Ethics in Public Health; Co-Convener of National Workshop on Ethics in Public Health, Washington, D.C., April 30 - May 2, 2000, with support from the Health Resources and Services Administration (HRSA)	Co-Convener
2001-2004	Association of Schools of Public Health Working Group on Ethics in Public Health and Hastings Center; Co-Convener of Second National Workshop on Ethics in Public Health, Washington, D.C., June 28-29, 2001 with support from the Health Resources and Services Administration (HRSA)	Co-Convener, Curriculum Module Developer
2001	Pennsylvania Department of Health, Comprehensive Cancer Plan for Pennsylvania, Future Search Conference, “From Dialogue to Action,” November 7 - 9, 2001.	Conference Participant

---

2002-present	Pennsylvania Department of Health, Newborn Screening Technical Advisory Committee.	Ethicist
2002	Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel, July 10-11, 2002.	Reviewer
2002	Ethical, Legal, and Social Implications of the Human Genome Project NIH Review Panel on Genetic Variation, December 12-13, 2002.	Reviewer
2004	Ethical, Legal, and Social Implications of the Human Genome Project Review Panel for Centers for Excellence in Ethical Legal and Social Implications Research (CEER), March 29-30, 2004.	Reviewer
2004	Ethical, Legal, and Social Implications of the Human Genome Project Special Panel, April 1, 2004.	Reviewer
2004	Ethical, Legal, and Social Implications of the Human Genome Project Review Panel, November 15-16, 2004.	Reviewer
2005	Ethical, Legal, and Social Implications of the Human Genome Project Review Panel, March 7-8, 2005.	Reviewer

**Ethics consultation:**

1991-present	Ethics Consultation Service, University of Pittsburgh Medical Center	Consultant
1991-present	Ethics Committee, University of Pittsburgh Medical Center	Member
1991-1992	Protocol Review Committee, Pittsburgh Cancer Institute	Consultant
1992-1998	Pulmonary/Cardiopulmonary Transplantation Selection Committee, University of Pittsburgh Medical Center	Consultant
1994	Magee-Womens Hospital Research Review and Human Subjects Research Committee Retreat	Discussant
1994-2000	Pittsburgh Tissue Engineering Institute, University of Pittsburgh Medical Center	Consultant
2001	Post-Mortem Sperm Procurement Protocol	Co-Author
2001	“Sponsor Responsibilities Following Research: Who Owes What to Whom?” Janssen Research Foundation, October 24, 2001.	Consultant, Speaker

2004-present	<b>Project among African-Americans to Explore Risks for Schizophrenia (PAARTNERS)</b> , PI: Rodney Go, PhD, University of Alabama, Birmingham	ELSI Consultant
2004-present	<b>Advanced Center for Interventions and Services Research (ACISR) for the Study of Late-life Mood Disorders (LLMD)</b> , PI: Charles Reynolds, MD, Department of Psychiatry, University of Pittsburgh	Research Ethics Consultant
2004-present	<b>Center for Suicide Prevention: A Lifespan Approach</b> , PI: David Brent, MD, Department of Psychiatry, University of Pittsburgh	Research Ethics Consultant
2004-present	Institutional Review Board, University of Pittsburgh	Consultant

### **University administrative service:**

#### *Departmental*

1992	Faculty Section of Departmental Self-study	Editor
1993	Ad Hoc Search Committee for Research Assistant Professor (genetics of cancer)	Member
1993	Ad Hoc Search Committee for Research Assistant Professor (open position)	Member
1995	Admissions Committee, Genetic Counseling Program	Member
1996-1997	Human Genetics Diversity Project (with Investing Now, Pittsburgh Public Schools; Sickle Cell Society; and GSPH)	Collaborator

#### *Graduate School of Public Health*

1991-2000	Research Integrity Education Committee and Student Orientation Speaker	Chairman
1992-1994	Doctoral Student Organization	Faculty Representative
1993	Faculty Seminar on Ethical Issues in Public Health	Convener
1993	Distinguished Women's Speakers Series Committee	Member
1993	GSPH AIDS Day Planning Committee	Member
1995	Integrative Core Course	Planner
1996-2000	Colloquium Series Project Committee	Member

---

1996-1997	Integrative Core Course on Violence	Instructor
1997-1999	Pittsburgh Area Consortium on Faith and Health Working Group	Member, Chairman, 1998-1999
1997-1999	Faith and Health Curriculum Committee	Member
1998-1999	Pittsburgh Area Consortium on Faith and Health Academic Committee	Chairman
1999	Public Health Values Working Group	Chairman
1999-2002	Faculty Advancement, Promotion, and Tenure Committee	Member
2001	Search Committee, Department of Health Services Administration	Member
2002-2004	Search Committee, Department of Behavioral and Community Health Sciences	Member
2002-2005	Faculty Advancement, Promotion, and Tenure Committee	Member
2002-2004	Search Committee, Department of Epidemiology	Member
2004-2005	Search Committee, Department of Behavioral and Community Health Sciences	Member
2004-2005	Search Committee, Department of Health Policy and Management	Member
<i>University</i>		
1991-1992	Curriculum Reform Committee, School of Medicine	Member
1991-1992	Master's Program in Medical Ethics, Department of History and Philosophy of Science	Acting Director
1992-1995	Visiting Professor Program Planning Committee, Clinical Ethics Training Program, Center for Medical Ethics	Member
1992-1993, 1997-1998	Current Controversies in Ethics/Messer Lecture Series Planning Committee, UMPC-MUH	Member
1992	Search Committee, Department of History and Philosophy of Science	Member
1993-1998	Master's Program in Medical Ethics, Department of History and Philosophy of Science	Associate Director
1995-1996	Search Committee, Department of History and Philosophy of Science	Member

---

1996-1997	Search Committee, Center for Medical Ethics	Member
1997	Fundamentals of Clinical Research Qualifying Lecture Series	Participant
1998-present	Bioethics Grand Rounds and Visiting Professor Programs, Center for Bioethics and Health Law	Director
2001-present	Appointments Committee, Center for Bioethics and Health Law	Member
1999-2001	Pediatric Research Ethics Program, Center for Bioethics and Health Law	Director
2000-present	Interdisciplinary Master of Arts in Bioethics, Center for Bioethics and Health Law and the Faculty of Arts and Sciences	Director
2000-present	Area of Concentration in Medical Humanities, School of Medicine	Co-director
2001	Tamara Horowitz Graduate Student Research Prize Award	Reviewer
2002	Tamara Horowitz Graduate Student Research Prize Award	Chair
2003	Tamara Horowitz Graduate Student Research Prize Award	Reviewer
2001-present	Women's Studies Program Steering Committee	Member
2001-2002	Women's Studies Program Search Committee	Member
2004-present	Women's Studies Program, Graduate Curriculum Committee	Member
2002-present	Global Studies Program, University Center for International Studies	Core Faculty Affiliate
2002-present	Entrepreneurial Oversight Committee	Member
2003-present	Center for Medical Genetics Advisory Committee	Member
2004-present	<b>Geriatric Depression: Getting Better, Getting Well (SWELL)</b> , Department of Psychiatry, Data Safety and Monitoring Board	Member

---

2004-present	<b>Systematic Treatment Enhancement Program for Bipolar Disorder (STEP-BD)</b> , PI: Jordan Smoller, MD, ScD, Massachusetts General Hospital, Vishwajit L. Nimgaonkar MD, PhD, University of Pittsburgh, Oversight Committee	Member
2004-present	Gay, Lesbian, Bi-sexual, Transgender Alliance in the Health Sciences Committee	Member
2004-2005	Current Controversies in Medical Ethics Conference: From Hippocrates to Bill Gates: Doctor-Patient Communication in the Electronic Age, April 11, 2005	Course Director
2005	Senate ad hoc Committee for the Support and Advancement of Women	Member
2005	Subcommittee on Consensual Relations Policy Review of the Senate ad hoc Committee for the Support and Advancement of Women	Chair
<b>Local community service:</b>		
1991-1994	Bioethics Committee, American Civil Liberties Union	Chairman
1994	Community Campaign, Persad Center	Member
1997	Current Controversies in Bioethics, seminar, Academy for Lifelong Learning, Carnegie Mellon University	Director
2003-present	Highland Park Community Club, community development	Member
