

PHUL 5th Anniversary Celebration, announcing the PHUL Scholarship

PHUL is now in its fifth year as one of the best High School ultimate leagues in the country. In order to celebrate this exciting fifth anniversary, we are embarking on a journey that will help improve Pittsburgh the city and our thriving ultimate community by keeping the wonderful students that make up PHUL in Pittsburgh after High School. In order to do this, we are establishing the PHUL Scholarship, which will pay out \$4,000 scholarship each year to a student planning to stay in Pittsburgh for their college years. So without further ado, please read below for our announcement of the PHUL Scholarship!

Dear Community,

With the rising prices of higher education, along with the growing trend for young people to leave the Pittsburgh area, PHUL has decided to embark on an exciting new project. PHUL, with the help of the whole community, is establishing an endowment to pay out a college scholarship to one graduating athlete each year who has committed to a Pittsburgh school. The scholarship will be focused on keeping great players, great organizers, and all around great people in the city. This is a very ambitious project, as we are planning to build a \$100,000 endowment over the course of 10 years.

To get the whole project on the right track, we are looking to raise \$25,000 this year alone, which will help us to reach our eventual goal. We can't, however, do this alone. This is why PHUL is calling on all members of the community to help with the effort to reach our goal this year. We have already received an extremely generous offer for \$5,000 of matching funds from Cycle Time Corp. and we are extremely grateful for their contribution. In addition to this, we are currently in talks with the Heinz Endowment and CPU to secure other large contributions.

In order to reach our goal, however, we will need everyone's help. If you are able to donate anything at all to this cause, please use the bottom half of this form. If you are giving an amount in excess of \$100, please do not enclose any money – simply pledge the amount, and wait until CPU gets 501(c)(3) status, so that you can write off the \$100 as a charitable donation. Thank you so much for your support. Efforts such as these are what makes the Pittsburgh community so great, and is what will allow the community to thrive now and into the future.

Sincerely,
David Vatz and Darren Shultz
