

# AGREEMENT ON USE OF IMAGE and META-DATA

## UNBC-McMaster Shoulder Pain Expression Archive

The database includes image data, FACS and pain labels, and processed data.

### Terms of use:

- Use is for non-commercial research and teaching. Commercial use is prohibited.
- The database may not be redistributed to second parties.
- The pain archive is available to researchers for projects designed to advance understanding of the perception of pain in others, to improve pain assessment based on facial expression or to improve clinicians' abilities to detect pain. To ensure compliance with human use, please describe how your proposed research addresses one of these goals.

- Only images from the following subjects can be used in publications:

TV095      JL047      IB109      DM039      AK064

- Any publications, technical, or other reports must cite:
