AGENDA

I. Approval of Minutes – May 13, 2008 (attached)

II. Announcements

III. Revised Program Proposal: Graduate and Post-baccalaureate Certificate Programs in Community-Based Participatory Research and Practice (attached) This program was previously reviewed by Council on September 11, 2007. Council tabled the vote on the proposal and requested that the following information be included in a revised proposal:
   • general goals for the program including what skills students will acquire and what careers that they will be prepared to pursue;
   • a discussion of what students are expected to learn through the internship and how the internship will be assessed; and
   • the specific admission requirements for the Post-baccalaureate Certificate.

   The revised proposal includes an Internship Handbook.

IV. Revised Program Proposal: Master of Science Degree Program in Pharmacy Administration (attached) This proposed program was previously reviewed by Council on May 13, 2008. Council tabled the vote on the proposal and requested that a revised proposal be submitted with additional information. The attached letter from Dean Kroboth dated June 10, 2008 addresses Council’s questions and references the revisions in the proposal.
