

Chem. 1410, HW # 8, assigned Nov 16, due Nov 30. (Note that because of the extension of the previous HW due to the exam, and the extension of this HW due to the holiday break, we will have fallen behind a bit on homeworks. To remedy this, I plan to post HW # 9 by Nov 23, having it due Dec 2.)

1. P 11.19

2. P 11.36

3. Q 12.21

4. P 12.5

5. P 12.8

6. P. 12.19
