### Teleradiology Confidentiality Agreement

I acknowledge, as an authorized user of Pittsburgh Mercy Health System, Wed Based Teleradiology System, that:

- Web Based Teleradiology will be used solely for the preliminary diagnosis and treatment of a patient’s condition and/or the teaching of healthcare professionals
- Patient confidentiality must be maintained at all times while reviewing images
- Downloaded images from the teleradiology web-site must be stored and/or presented absent of patient’s name, medical record number, and/or other identifiable means that would jeopardize patient confidentiality
- Downloaded images may only be used for medical teaching purposes
- Log-in and passwords are considered confidential and must not be shared with other authorized or unauthorized users
- Failure to comply with any of the above statements will forfeit my ability to access the Pittsburgh Mercy Health System, Wed Based Teleradiology System
