

**2003-2004 Master Schedule**  
Center for Emergency Medicine  
*Mercy Day at Grand Rounds*

Note: Lectures should generally extend about 10 minutes less than the designated time frame. This is to allow time for a short break at the end of every lecture/time for questions, etc.

*All topics for First Hour and Potpourri need to be approved by Abby Wolfson and Kip Benko.  
The topic list will be distributed as soon as it becomes available.*

**Please contact Trish Martino at the Center for Emergency Medicine, 412.647.8284  
for a current list of Oral Core Content Topics.**
