

**UNIVERSITY OF PITTSBURGH
RN COMPLETION PROGRAM
NURSING PIN ORDER FORM**

The Balfour Company is pleased to be the official supplier of nursing pins for the University of Pittsburgh School of Nursing. Your Balfour pin is a symbol of achievement – a “Diploma” – that you will proudly display every day of your professional life.

There are two sizes of pins to choose from. The large School of Nursing pin features the School of Nursing seal and is approximately the size of a quarter. The small pin also features the school seal and is approximately the size of a dime. The small pin comes with a chain guard, which can be attached to another pin, or can simply be worn by itself.

Balfour has three metal qualities to choose from. All of them are beautifully struck from custom dies and are guaranteed.

Please fill out this form with payment in full and return it to the address listed below. Allow At **least eight weeks** for delivery of your pin. It will be shipped directly to you.

Please check pin quality and optional guard design.
