

# **The CCBC/Pitt Connection Transfer Guide**

**Office of Admissions and Financial Aid  
University of Pittsburgh  
10/24/2008**

Dear Prospective Transfer Student,

Greetings, and welcome to the online version of the **CCBC/Pitt Connection Transfer Guide**.

I hope that you find it to be a useful tool as you plan your academic program in anticipation of your successful transfer to the University of Pittsburgh. I also encourage you to work closely with both your Transfer Counselor at CCBC and the Office of Admissions and Financial Aid at Pitt as you plan your coursework.

Please note that while the information presented here about credit completed at CCBC applies to all students enrolled at CCBC, the application for admission process and requirements are not the same for international students. International students must apply for admission through the Office of International Services (OIS), not the Office of Admission and Financial Aid. Complete information about international undergraduate transfer admission, the on-line application for admission, application deadlines, and estimated costs are available from the OIS web site:

<http://www.ois.pitt.edu/intladmissions.html>

We look forward to your becoming a member of the University of Pittsburgh community and to working with you as you pursue your academic and professional goals.

Good luck with your studies, and remember to keep in touch as you progress toward your transfer to the University of Pittsburgh.

Best Wishes,

Colleen O'Neil  
Transfer Counselor  
Office of Admissions and Financial Aid

# Using The Pitt Connection Transfer Guide

The **Pitt Connection Transfer Guide** is a resource designed to assist you with:

- **Planning** your CCBC coursework
- **Maximizing** the number of credits you can earn at CCBC
- **Learning** important information about academic requirements at Pitt

It is divided into several sections. First, you should familiarize yourself with the University's **General Transfer Policies**. Next, the **Bachelor of Arts and Bachelor of Sciences School of Arts and Sciences Degree Requirements** section includes a **worksheet** that you can use to keep track of the courses that you have completed that will satisfy those requirements at Pitt.

The section on **Transferable Courses** contains an alphabetical listing of all the community college courses that will transfer to Pitt. The CCBC course is listed in the first column, its Pitt equivalent (if one exists) is in the second and third columns, the number of credits it will transfer as is in the fourth column, and the specific Pitt graduation requirement (**Foundational Skills, Disciplinary Approaches, or Elective**) that it satisfies is in the fifth column. Use this section in conjunction with the **worksheet** to chart your progress.

There are also sections that include information about transfer to **the College of Business Administration, College of General Studies, and the Schools of Education, Engineering, Health and Rehabilitation Sciences, Information Sciences, Nursing, Pharmacy, and Social Work**.

**IMPORTANT:** The provisions and contents of this document are subject to change at any time at the University's sole discretion. It is intended to serve only as a general source of information about the University and is in no way intended to state or imply contractual terms.

# School of Arts and Sciences

## General Transfer Policies

The **School of Arts and Sciences** offers the degrees of Bachelor of Arts and Bachelor of Science. All natural science majors are awarded Bachelor of Science Degrees. If you complete a major outside the natural sciences, you will be awarded the Bachelor of Arts Degree.

**GENERAL GUIDELINES FOR CREDIT TRANSFER TO Arts and Sciences: All credits available for transfer are subject to the following guidelines.**

1. Only courses that have reasonable counterparts in the School of Arts and Sciences curriculum are eligible for transfer (see guideline 6 for exception).
2. The number of credits granted for a given course cannot exceed the number on the transcript from the school where they are earned, nor, usually, can it exceed the number earned in the corresponding course in the School of Arts and Sciences.
3. No transfer credits can be part of the final 30 required for a degree. These must be earned in residence. In interpreting this regulation, credits earned on regional campuses are considered as transfer.
4. All transfer credits must have been earned within 12 years of the date when the Arts and Sciences degree requirements will be completed.
5. All transfer credits are subject to re-evaluation if and when you transfer from one school to another within the University of Pittsburgh.
6. A maximum of 18 non-School of Arts and Sciences credits may be counted in the minimum of 120 required for graduation.
7. If another school at Pitt transfers a class, it can be transferred to Arts and Sciences in the non-AS category. A minimum of 18 credits in this category can count towards graduation.
8. At least 50 percent of the credits required in your major subject must be earned in Arts and Sciences
9. Not more than 60 credits may be transferred from a two-year college. No more than 90 may be transferred from a four-year college. If 60 or more credits have been earned at a four-year school, no transfer credit will be granted for credits earned subsequently at a two-year school.

10. If a course for which advanced-standing credit has been granted is repeated, the advanced-standing credit is canceled.
11. Course work earned in approved foreign study programs may not constitute more than 15 of the final 30 credits. These credits are awarded on a Satisfactory/Audit basis. In addition, 30 of the last 60 credits must be earned in residence.

**CLEP:** CLEP (Credit for Life Experience) credits do not transfer to the School of Arts and Sciences; however, if you feel you could pass a test in a certain subject for credit, consider **Credit by Examination**. With **Credit by Examination**, students may earn credits toward graduation by taking a special examination. Each test for credit by examination must be arranged with the department offering the course for which credit is desired. The examination must be in a specific course offered by the Faculty of Arts and Sciences. Departments set their own policies as to the specific courses for which students may request credit by examination, the time and type of examination, and the number of courses among those required for the major for which credit may be earned for examination. Normally, the examinations are administered in September.

#### **GUIDELINES AND SUGGESTIONS FOR STRUCTURING YOUR CURRICULUM:**

The structure of a degree from Arts and Sciences varies depending on your major and how many classes you need to take to fulfill skills and graduation requirements. Typically, Skills and General Education requirements fill from 51 to 68 of the 120 credits required for a degree, and your major, from 30 to 82 credits.

If you wish to transfer to the School of Arts and Sciences at Pitt in the future, we suggest that you concentrate on the following at your present college:

1. Satisfy the Skills requirements, ie, Composition, Algebra, Foreign Language (algebra and general writing **MUST** be completed before transfer to Arts and Sciences)
2. Begin taking comparable courses to meet the General Education Requirements.
3. Begin taking the introductory courses in your expected major.

# Bachelor of Arts and Bachelor of Science Arts and Sciences Degree Requirements

The faculty of the School of Arts and Sciences has defined a set of curricular requirements to be satisfied by all Arts and Sciences students. These requirements, which form the foundation of a liberal arts education, are of two types: Foundational Skills and Disciplinary Approaches.

**A. FOUNDATIONAL SKILLS REQUIREMENTS: These requirements assist students in developing the skills in writing and quantitative reasoning that provide the foundation for future learning. (Minimum 6 credits)**

## 1. Writing Requirements:

The writing requirement consists of:

- a. Basic Writing \_\_\_\_\_
- b. Seminar in Composition \_\_\_\_\_
- c. Writing Intensive courses (2): The W-courses involve a significant amount of writing and are taken by students after they have completed the General Writing requirement. Community College students should take them after they transfer to CAS.

## 2. Quantitative and Formal Reasoning

- a. Algebra \_\_\_\_\_
- b. Quantitative \_\_\_\_\_

**B. Disciplinary Approaches (46 Credits)**

## 1. Humanities Requirements:

- a. First Level Literature: \_\_\_\_\_
- b. First-level Music or Art: \_\_\_\_\_

c. Creative Expression/Second Level Literature or Art:

\_\_\_\_\_

d. Philosophy: \_\_\_\_\_

## 2. Social Science Requirements

a. Social Science: \_\_\_\_\_

b. History: \_\_\_\_\_

\_\_\_\_\_

**3. Natural Science Requirements:** Three courses in the natural sciences that introduce students to scientific principles and concepts. Students must take courses from at least two different departments.

a. Course one: \_\_\_\_\_

b. Course two: \_\_\_\_\_

c. Course three: \_\_\_\_\_

## 4. Global Citizenship Requirement

### Foreign Language (Two-term sequence of the same language)

a. Level One \_\_\_\_\_

b. Level Two \_\_\_\_\_

All Arts and Sciences students are required to demonstrate elementary proficiency in a foreign language in one of the following ways:

- a. Three years of study of a single foreign language in high school, passed with an average grade of C or better over three years.
- b. A score of 450 or better on a CEEB foreign language achievement test. Students should notify the Dean's Office if they qualify for this option.
- c. Completion of the first and second levels of a foreign language at the University of Pittsburgh with minimum grades of C-.
- d. Completion of a second level foreign language course earned at another college with a grade of C or better.

## Foreign Culture/International Courses

There are three categories: Regional (R), Comparative (C) and Global (G). At least two of the three categories must be covered with (a), (b), and (c). Category (d) must be a non-western (NW) course, which may overlap with another general education requirement.

a. \_\_\_\_\_

b. \_\_\_\_\_

c. \_\_\_\_\_

d. \_\_\_\_\_ (Non-Western).

**The School of Arts and Sciences' transfer admission guidelines:** completion of 60 credits including college English and college algebra with a grade point average of 3.0 or higher. The high school records of applicants with fewer credits will be taken into consideration in the review process and a strong high school academic record is beneficial. Please note, meeting these guidelines does not guarantee admission, just as not meeting them does not preclude admission.

# CCBC Courses Transferable to the University of Pittsburgh

Nothing from the following areas transfers:

**ARCH (Architectural/ Engineering Drafting)**  
**AVIC/AVIP (Aviation)**  
**BUSC (Business Communication)**  
**BE/BH (Business Education)**  
**CULA (Culinary Arts)**  
**DEVS (Developmental Courses)**  
**ER (Early Childhood)**  
**ELEC (Electronic Engineering Technology)**  
**ENVR (Environmental Technology)**  
**MSHT (Multi-skilled Health Technician)**  
**OFFT (Office Technology)**

# College of Business Administration

The University of Pittsburgh's **College of Business Administration (CBA)** awards the Bachelor of Science in Business Administration (BSBA) degree with majors in:

- Accounting
- Finance
- General Management
- Marketing

CBA is the undergraduate division of the Katz Graduate School of Business. Both Katz and CBA are fully accredited by the Association to Advance Collegiate Schools of Business (AACSB International), the premier accrediting agency for degree programs in business. CBA has consistently been ranked in the top 10% of accredited business programs by *US News and World Report*.

## Transfer Admission to CBA

Admission is available for the Fall (August), Spring (January), and Summer (May) Terms on a rolling basis. To ensure full consideration, please apply as early as possible. The BSBA Program may be completed full-time or part-time, in the daytime or evening.

CBA also offers the business component of the A&S/Business Dual Major. The dual major program allows students to combine a core business curriculum with any liberal arts major offered by Pitt's School of Arts and Sciences. Contact CBA at (412) 383-9600 or go to CBA's web site at [www.cba.pitt.edu](http://www.cba.pitt.edu) for more information.

## Transfer Process and Approved Courses

It is recommended that you complete at least 30-45 credits at CCBC prior to transferring to CBA. With careful planning, it is possible to transfer up to 60 credits from CCBC to CBA. To best prepare for admission to CBA, make sure to take the following courses while you are at CCBC:

- MATH 160 Calculus I (4 credits)
- BUSM 255 Macroeconomics (3 credits)
- BUSM 256 Microeconomics (3 credits)
- PSYC 101 General Psychology (3 credits)

These courses will transfer to CBA and will be considered heavily in the admissions process. While at CCBC, you may also complete courses that fulfill the CBA general education requirements, as well as take approved business courses.

Other requirements that you may choose to complete while at CCBC are as follows:

- WRIT 101 English Composition (3 credits)

- Foreign language (if needed, see language requirement) – a two-course sequence
- English literature—one course
- Music/Art—one course
- Philosophy—one course
- Social Sciences—two courses in two different departments
- Natural Sciences—two courses
- Foreign Culture—two courses
- Introduction to Business course
- Organizational Behavior course
- Human Resources Management course
- Principles of Marketing course
- Accounting courses

CCBC courses approved to meet these requirements are listed on the following pages.

### **Admission to CBA**

For admission, CBA suggests that community college students earn a cumulative 3.0 QPA or higher. We also will look for a 3.0 or higher average earned in the four required courses previously listed (calculus, macroeconomics, microeconomics, and psychology). CBA calculates the average earned in these required courses without including the effect of course repeats. The original earned grade will be counted.

### **When scheduling, remember...**

- You must earn a grade of 'C' or better in a course for it to transfer.
- You may need to take other math and/or English courses before taking the calculus and English composition courses listed here. In particular, given that you may need to take several math courses prior to taking calculus, we suggest you begin taking math courses early on (preferably in your **first semester**). Your performance in math coursework will be an important factor in the admission process. See your advisor for details.
- If you haven't already fulfilled CBA's **foreign language** requirement with high school coursework (see foreign language section on the next page), you may complete it before transferring to Pitt.

If you have questions about scheduling classes, contact your academic advisor or call CBA at 412.383.9600 for assistance.

## CBA Skills and General Education Requirements

The CCBC courses below are approved to meet the following CBA general education requirements. The requirement fulfilled as well as the Pitt course equivalent is indicated.

*Please note: You will notice that sometimes “non-equivalent” transfer credit is awarded (ENGLIT 0000 for example). This means that the coursework transfers, just not as a specific Pitt course. It does fully meet the specified CBA requirement.*

<b>Writing Requirement</b>			
<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt course (equivalent)</b>	<b>Credits</b>
WRIT101 English Composition 1	<b>3</b>	ENGCMP 0200 Seminar in Composition	<b>3</b>

**Foreign Language Requirement**—fulfilled by 3 years of the same language (with a C average or better) in high school. Otherwise, levels 1 and 2 of a language in college are required. This is a good requirement to complete before transferring to Pitt. Complete both courses before transferring.

<b>Complete one two-course sequence below.</b>			
<b>CCBC Course (you take)</b>	<b>Credits</b>	<b>Pitt course</b>	<b>Credits</b>
FREN 101/102 French ½	<b>6</b>	FR 0000/0000	<b>6</b>

# College of General Studies

The **College of General Studies (CGS)** offers a variety of options leading to a Bachelor of Arts or Bachelor of Science degree. Majors in Administration of Justice, Dental Hygiene, Health Services, Humanities, Legal Studies, Liberal Studies, Media and Professional Communications, Natural Sciences, Public Administration, and Social Sciences are offered directly by CGS in the evening. Administration of Justice, Humanities and Social Sciences majors are also available on Saturday. Transfer credit agreements have been established for the Criminal Justice program at the Community College of Beaver County (CCBC) and CGS; this agreement is available from the CCBC transfer counselors or from the College of General Studies.

Students interested in an arts and science major in Chemistry, Communications, Computer Science, Economics, English Literature, English Writing, History, History of Art and Architecture, Mathematics, Philosophy, Political Science, Psychology, or Sociology can begin their studies in the College of General Studies, complete requirements for the degree in the evening or Saturday, and graduate from the College of Arts and Sciences (CAS).

Students can also complete prerequisite courses through CGS and qualify for admission to one of seven other University programs: Business Administration, Engineering, Health and Rehabilitation Sciences, Information Science, Nursing, Pharmacy, and Social Work.

CGS is located on the 4<sup>th</sup> floor of the Cathedral of Learning. You can contact CGS at (412) 624-6600, fax number is (412) 624-3836, and email address is [cgs@pitt.edu](mailto:cgs@pitt.edu).

## Requirements for the Degree

Listed below are the requirements for the bachelor's degree in the College of General Studies and the CCBC courses which can be used to fulfill these requirements. In some cases, "commonly transferred courses" are listed; these represent only a few of the courses available through CCBC. Students wishing to see a more expanded listing should see their CCBC transfer counselors for a copy of the CCBC/CGS transfer manual.

### Skills

Oral Communication: 3 credits

CCBC course equivalent: COMM 101, 201

Writing: 9 credits

CCBC course equivalent: WRIT 101, 102, 103, JOUR 101. The remaining three credits in Writing must be earned at the University of Pittsburgh.

Mathematics: minimum 2 credits

CCBC course equivalent: MATH 1101 or 102.

Quantitative and Formal Reasoning: 3-4 credits

Selected courses in computer and information science, mathematics, statistics, and logic. Commonly transferred courses: CIST 110, 160, 161, MATH 115, 121, PHIL 205.

### Understandings

Humanities: 9 credits

Two courses each from a different department may be transferred from CCBC; the third course must be a junior/senior-level course. Commonly transferred courses: FINE 100, 110, 111; LITR courses listed below not used to fulfill the Literature requirement; MUSI 101; PHIL 101, 201.

Social Sciences: 9 credits

Two courses each from a different department may be transferred from CCBC; the third course must be a junior/senior-level course. Commonly transferred courses: ANTH 101, 105; BUSM 255, 256; GEOG 101; POLS 101, 102; PSYC 105; SOCI 101, 210. HIST courses not used to fulfill the History requirement below

Natural Sciences: 9 credits

Three courses representing at least two different departments may be transferred from CCBC. Commonly transferred courses: BIOL 101, 102; CHEM 101, 102; PHYS 101, 102, 105; PSYC 101, 106.

Literature: 3 credits

All LITR courses numbered 205 or above except 218.

History: 3 credits

All HIST courses.

International Perspective: 6-10 credits

Foreign language and courses concerning foreign culture and global issues fulfill this requirement. Commonly transferred courses: HIST 101, 102.

Courses may also be taken at CCBC to fulfill CGS major requirements and transferred courses not used in the categories above may be used as electives. Normally a maximum of 60 credits, graded C or better, can be transferred; if CLEP credits are used, a combination of CLEP and CCBC credits cannot exceed 60.

## Major Programs in CGS

### ***Multi-disciplinary majors***

Say you're interested in history, but you want a broader major that also includes legal studies and political science. With a multi-disciplinary major, you can study a general area instead of a specific major. Instead of drawing your major courses from one department, you can choose courses from three departments within the central theme.

Multidiscipline programs give students more control and more choices in the courses they take to complete their major. They also allow you to gain several points of view regarding a central subject matter. To satisfy each of these programs students can choose courses from departments within the central theme, with one of the departments representing a majority of the coursework.

CGS Multi-disciplinary majors are:

**Humanities (BA)** - Choose courses from three of the following departments: Africana Studies, Classics, Communication, English, German, History of Art and Architecture, Linguistics, Music, Philosophy, Religious Studies, Spanish, Studio Arts, Theatre Arts.

**Legal Studies (BA)** – This interdisciplinary course of study combines the theories and methods of several social science disciplines and law. It is not designed as a pre-law program; its goal is to enable you to develop an understanding of the nature, content and operation of American law and legal institutions.

**Liberal Studies (BA)** – This unique program allows students to develop an independent plan of study to accomplish their specific goals. Students who elect this option must meet specific requirements regarding the development of their unique major. Once they have developed a course of study, they must submit a proposal identifying the program and their rationale for its undertaking. This proposal is reviewed by a faculty committee and must be approved before the student can proceed.

*A special note for students interested in Elementary Education:* The College of General Studies and the School of Education have collaborated on an offering under the Liberal Studies program that incorporates all of the prerequisite coursework needed for admission to the Certificate Program in Elementary Education.

**Natural Sciences (BS)** – Choose courses from three of the following departments: Anthropology, Astronomy, Biological Sciences, Chemistry, Geology and Planetary Science, History and Philosophy of Science, Neuroscience, Physics, Psychology.

**Social Science (BA)** – Choose courses from three of the following departments: Africana Studies, Anthropology, Economics, History, Jewish Studies, Legal Studies, Political Science, Psychology, Religious Studies, Sociology, Urban Studies, Women's Studies.

## **Professional Majors**

In addition to the multidisciplinary programs that are available, the College of General Studies offers professional major programs. Although these are still liberal arts majors, they are more specific in nature and are tailored to a particular course of study or career. For each of these programs, a minimum of at least 30 credits is required in the specific discipline.

**Administration of Justice (BA)** – Develop your understanding of the evolution, theory, structure, functioning, and process of change in the total system of American criminal justice. Choose one of these three specialized areas: Adult and Juvenile Corrections, Law Enforcement Practice, or Social Policy Planning and the Legal Process. A transfer credit agreement has been established with CCAC for this major.

**Dental Hygiene (BS)** – If you have graduated from an accredited dental hygiene program, this major provides you with the opportunity to complete a bachelor of science degree.

**Health Services (BS)** – This major is for health professionals who have completed professional training and would now like to earn a bachelor of science degree. Recognition for the professional training you have received, including specific transfer credit agreements with community colleges, provide the foundation of your degree. This degree applies to such professions as: diagnostic medical sonographers, dietetic technicians, health information technologists, medical laboratory technicians, nuclear medicine technologists, occupational therapy assistants, pharmacy technicians, physical therapy assistants, radiologic technologists, respiratory therapists and surgical technologists. A transfer credit agreement has been established with CCAC for this major.

**Media and Professional Communications (BA)** – The major is designed to meet the needs and interests of persons currently in or aspiring to careers in print, television or radio communications, or in business or government. The major includes not only journalism and the media, but also an in-depth look at the social context and value system of communications. Courses are primarily from the Communication and English departments.

**Public Administration (BA)** – This major prepares students for careers in the administration of both public organizations and private industry. Emphasis is on familiarizing the potential administrator with currently available modern management techniques. A transfer credit agreement has been established with CCAC for this major

# School of Education

## Applied Developmental Psychology

The Bachelor of Science in Applied Developmental Psychology is offered through the School of Education. Entrance to the program is at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

### Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Developmental Psychology (or equivalent) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, please visit the Applied Developmental Psychology website at <http://www.education.pitt.edu/adp/index.aspx> or call 412-624-0306.

## Health and Physical Activity

The Bachelor of Science in Health and Physical Activities offers two areas of specialization – Exercise Science and Wellness. Students can enter these School of Education programs at the junior year level, Fall Term, full or part-time, after earning a minimum of 60 college semester credits, including the following prerequisite classes:

### Prerequisites:

- English Composition (equivalent to the University of Pittsburgh general writing requirement) - 3 cr.
- Other courses broadly distributed in humanities, social sciences, and natural sciences.

For more information, you may visit the website at <http://www.education.pitt.edu/hpaprogram/> or call (412) 648-8320.

**Teacher certification** for elementary and secondary education are post-baccalaureate programs that are completed in the **School of Education** in the fifth year, or after the

student earns his or her bachelor's degree from the College of Arts and Sciences or from another accredited institution. A Master of Arts in Teaching (MAT) option is also available.

An Education advisor can augment the work of the advisor in your major by recommending courses that fulfill both general CAS requirements and prerequisites for the teaching program. The advisor in Education can also evaluate transcripts from other schools for students hoping to transfer to the University of Pittsburgh.

For additional information on prerequisites and other details about programs in Education related to Teacher Certification, you may call (412) 648-7362.

# School of Engineering

Transfer applicants to the **School of Engineering** must indicate a specific major. The available engineering majors are:

- Bioengineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Engineering Physics
- Engineering/SAS Joint Degree
- Industrial Engineering
- Materials Science
- Mechanical Engineering

The **School of Engineering** curriculum is highly structured from the freshman through the senior year. We recommend that you follow the curriculum closely, as only courses that are an integral part of your proposed degree program and for which you've earned a "C" grade or better will be considered for transfer. No more than 60 credits will be accepted for transfer from a community college.

Students with a cumulative grade point average of 2.8 or better will be considered for admission to the School of Engineering. Bioengineering applicants need a cumulative GPA of 3.5 or higher. Transfer students are admitted within the limit of spaces available in the individual departments. You are advised to follow the freshman curriculum outlined on the following pages.

For additional information, please feel free to contact the School of Engineering at 412-624-9825.

# University of Pittsburgh School of Engineering Curriculum

## FRESHMAN YEAR

First Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry and Calculus 1 (Math 0220)	4	MATH 121
Humanities or Soc. Science Elective	3*	See course equivalents list
Chemistry 0960	3	CHEM 101
Physics 0174	3	NE
Introduction to Engineering Analysis (ENGR 0011)	3	
Freshman Seminar (Engr 81)	0	NE
<b>Total</b>	<b>16</b>	

Second Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry and Calculus 2 (Math 0230)	4	MATH 122
Humanities or Soc. Science Elective	3*	See course equivalents list
Chemistry 0970	3	CHEM 102
Physics 0175	3	NE
Introduction to Engineering Computing (ENGR 0012)	3	NE
Freshman Seminar (Engr 0082)	0	
<b>Total</b>	<b>16</b>	

## SOPHOMORE YEAR#

Second Term		
At Pitt:	Credits	At CCBC you take:
Analytic Geometry Calculus III (Math 0240)	4	NE
Matrix Theory and Diff. Eq. Math 0250)	4	NE

\*No more than three (3) humanities or social science electives will be accepted from a community college.

**\*\*Courses recommended for the sophomore to senior years vary according to the specific major. Consult the School of Engineering Bulletin for more information, or call the School of Engineering at (412) 624-9825.**

**All engineering programs are subject to change without advance notice.**

## SCHOOL OF ENGINEERING ENGLISH WRITING REQUIREMENT

To ensure that all engineering students attain a reasonable level of competence in writing, the School of Engineering requires students to complete two levels of English writing courses. The two levels include: 1) a basic English *composition* course; and, 2) a course where students will gain *writing experience* in a specific academic subject area. The writing requirement is further explained below.

### I. COMPOSITION

All students enrolled in the School of Engineering are expected to complete the University of Pittsburgh's basic English composition course entitled *General Writing-Intensive* (GWI). However, transfer students have several options.

- A. Engineering transfer students who have prior college-level writing experience may request an assessment of their skill level by either
  - 1. taking a Writing Placement Test; or,
  - 2. submitting for review two college-level writing samples. An evaluation of the test results/writing samples will determine placement in or exemption from the GWI course.\*
  
- B. Community College of Beaver County (CCBC) students who have earned a grade of a "C" or better ("C-" is unacceptable) in HE 155 *English Composition I* will be automatically waived from taking GWI at the University of Pittsburgh (Pitt). CCBC students who have not completed HE 155 or have earned below a grade of "C" in the course will be required either to take the GWI course or follow the assessment options outlined in paragraph A.
  
- C. Students with an SAT verbal score of 600 or higher will be waived from taking the GWI at the University of Pittsburgh.

### II. WRITING EXPERIENCE

In addition to the composition requirement, all engineering students must take one writing course, designated in the University of Pittsburgh course description listings as "WRIT". Students may fulfill the writing experience requirement by taking a course in any area, including but not limited to Humanities, Social Sciences or Natural sciences.

*Student's transferring from a community college must take the writing experience course at the University of Pittsburgh; therefore, no such courses will be accepted for transfer from a community college.* Students must abide by the writing assessment results and can choose only one of the options. Engineering transfer students should consult with their academic advisors for specific instructions for taking the placement test or submitting the writing samples.

# School of Health and Rehabilitation Sciences

The School of Health and Rehabilitation Sciences (SHRS) offers undergraduate majors in Athletic Training, Clinical Dietetics and Nutrition, Communication Science, Emergency Medicine, Health Information Management, and Rehabilitation Science. For admissions a student must have a minimum of 60 college credits including the specific prerequisite courses. Students may apply to the programs when a minimum of 45 credits are complete and there is evidence of having all admissions criteria met by the time the program begins in the Fall Term.

General admission criteria includes completion of a minimum of 60 credits, a minimum overall and prerequisite QPA of 2.5 with a grade of C- or better in all prerequisite courses.

Class size is limited and students are encouraged to submit applications early. A University of Pittsburgh Application for Transfer Students as well as an SHRS application must be completed. We highly recommend an appointment with the SHRS Director of Admissions to discuss the application and admission process. Applications can be found at [www.shrs.pitt.edu/apply](http://www.shrs.pitt.edu/apply).

Application deadlines:

Athletic Training	March 15
Clinical Dietetics & Nutrition	March 15
Rehabilitation Science	February 15
All other programs	Rolling Admissions

For further information:

Web page: <http://shrs.pitt.edu>  
E-mail: [admissions@shrs.pitt.edu](mailto:admissions@shrs.pitt.edu)  
Phone: (412) 383-6558  
Fax: (412) 383-6535

## Athletic Training Program

This CAAHEP-accredited program prepares students for certification by the National Athletic Trainers' Association. This is a specialization within the rehabilitation science program. Graduates are eligible for careers in a variety of clinical sports medicine settings working with active populations, or for further education at the graduate level conducting research central to the practice of sports medicine.

<b>Admission: Fall</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Physics with labs-4 credits	PHYS 101
Algebra-3 credits	MATH 101
Statistics-3 credits	MATH 115
Psychology-6 credits	Any six credits of Psychology
Writing/English Composition-6 credits	WRIT 101, 102
Computer Science-3 credits	CIST 100
Public Speaking-3 credits	COMM 101
Basic Athletic Training/lab-4 credits	N/E (must be taken at Pitt)
Emergency Medical Technician-4 credits	PUBS 014
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Clinical Dietetics and Nutrition

Dietitians are the health professionals who apply scientific knowledge to guide people in selecting foods to meet their health needs. The curriculum offers courses in food and nutrition sciences, nutrition therapy and includes supervised practice experiences that are required for eligibility to take the national registration examination for dietitians.

<b>Admission: Fall Term only</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology-3-4 credits	BIOL 101
Chemistry with labs-8 credits (Labs required)	CHEM 101, 102
Organic Chemistry-6 credits (Labs not required)	
Computer Science-3 credits	Contact SHRS for suggestions
Economics-3 credits	BUSM 255
English Composition-3 credits	WRIT 101
Math-3 credits	MATH 101
Intro to Nutrition-3 credits	(Course must be approved by SHRS)
Public Speaking/Oral Communication	COMM 101
Psychology-3 credits	PSYC 101
Sociology-3 credits	SOCI 101
Statistics-3 credits	MATH 115

## Communication Science Disorders

The Department of Communication Science and Disorders offers a Bachelor of Arts degree in Communication Science. This degree is appropriate for students interested in the professions of speech-language pathology and audiology. Practice in either of these professions requires further graduate study (a two-year master's degree in an accredited program), as well as completion of a clinical fellowship year.

It is recommended that students transfer into the communication science program in the fall term. The courses listed below are the general education requirements for this degree. It is advisable to include as many of these courses as possible in the 60 required credits. Courses not completed before transfer can be taken while fulfilling the remaining degree requirements at SHRS.

Pitt requirement:	At CCBC you may take:
<b>Basic Writing</b> (3 credits)	<b>WRIT</b> 101
<b>English Comprehension</b> (3 credits)	<b>WRIT</b> 101, 102
<b>'W' Writing courses</b> (2 courses)	(These courses to be taken at U of Pittsburgh after transfer)
<b>Algebra</b> (3 credits)	<b>MATH</b> 101, 102
<b>Quantitative Reasoning</b> (3 credits)	<b>MATH</b> 115, 121, 122
<b>Foreign Language</b> (3 yrs HS, or 2 <sup>nd</sup> level course at college)	<b>FREN</b> 102, <b>SPAN</b> 102
<b>Literature</b> (3 credits)	<b>LITR</b> 205, 207, 208, 224, 236, 240
<b>Music/Art</b> (3 credits)	<b>FINE</b> 100, 101, 102, 225, <b>MUSI</b> 101
<b>Creative Expression, or 2<sup>nd</sup> Lit, or 2<sup>nd</sup> Music, or 2<sup>nd</sup> Art</b> (3 credits)	<b>FINE</b> 110, 111, 210, <b>COMM</b> 201
<b>Philosophy</b> (3 credits)	<b>PHIL</b> 101, 201
<b>Social Science</b> (3 credits)	<b>BIOL</b> 110, <b>ANTH</b> 105, 110, <b>HIST</b> 101, 215, <b>PSYC</b> 105, 212
<b>History</b> (3 credits)	<b>HIST</b> 101, 102, 111, 112, 205, 206, 210, 215, 221, 228
<b>Public Policy, or 2<sup>nd</sup> Social Science, or 2<sup>nd</sup> History</b> (3 credits)	<b>HIST</b> 111, 112, 205, 206, 210, 221, 222; <b>POLS</b> 101, 102; <b>CRIM</b> 100, 230
<b>Natural Science</b> (9 credits=3 Physical+ 6 Life, or =6 Physical + 3 Life)	<b>Physical: CHEM</b> 101, 102, 201; <b>PHYS</b> 101, 102; <b>Life: BIOL</b> 101, 102, 105, 106, 115; <b>PSYC</b> 101, 208.
<b>International Culture</b> (9 credits-at least 1 nonwestern (NW) course)	<b>HIST</b> 101, 102, 221, 222 (No suitable non-western courses available at CCBC)

**Cluster Courses. One course must be from each section (15 credits total)**

1.	<b>Stats and Measurement</b>	<b>MA 115</b>
2.	<b>Biological/Neurological/Cognitive Basis of Communication</b>	<b>BIOL 101 and 102</b>
3.	<b>Philosophy of Science</b>	(No suitable courses offered at CCBC)
4.	<b>Sociocultural Studies</b>	<b>ANTH 105 PSYC 105, SOCI 210, 231</b>
5.	<b>Lifespan Development</b>	<b>PSYC 106, 210, 217</b>

Contact **Janice Vance, Academic Advisor** in the Department of Communication Science and Disorders for help with the transfer process and course selection, as well as for information about the professions of **speech-language pathology and audiology**. **Tel:** (412) 383-6562 **Email:** [vance@csd.pitt.edu](mailto:vance@csd.pitt.edu)

## Emergency Medicine

This program is designed to prepare students for the technical, clinical and administrative challenges in the EMS professions. The dynamic curriculum provides a strong foundation in clinical experiences, educational expertise and administrative leadership.

<b>Admission: All Terms</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
English Composition-6 credits	WRIT 101, 102
Math-3 credits	MATH 101
Public Speaking-3 credits	COMM 101
Natural Sciences	3 credits
EMT with lab	PUBS 014
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Health Information Management

Graduates of this program develop health record and information systems for patient care, education, research, and reimbursement. The application of information technology throughout the curriculum enhances the student's knowledge of the health care system.

<b>Admission: Fall Term only</b>	
<b>Prerequisites:</b>	<b>At CCBC you may take:</b>
English Composition-6 credits	WRIT 101, 102
Psychology-3 credits	PSYC 101
Biology -3 credits	BIOL 101
Chemistry-3-4 credits	CHEM 100 or 101
Mathematics/Algebra- 2-3 credits	MATH 101
Statistics-3 credits	MATH 115
Public Speaking-3 credits	COMM 101
Computer Science-9 credits (must complete a programming course)	CIST 110, 160, 161, 212, 233
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing Arts, Philosophy, Religion, or Sociology.

## Rehabilitation Science

The major in Rehabilitation Science is designed to prepare students for graduate education in areas such as physical therapy, occupational therapy, prosthetics and orthotics, physician's assistance, rehabilitation counseling, wellness and human performance, rehabilitation technology, as well as for graduate and professional studies in other areas of health care.

<b>Admission: Fall</b>	
<b>Admission Prerequisites:</b>	<b>At CCBC you may take:</b>
Biology with labs-4 credits	BIOL 101
Chemistry with labs-4 credits	CHEM 101
Physics with labs-4 credits	PHYS 101
Algebra-3 credits	MATH 130 or higher
Applied Statistics-3 to 4 credits	Equivalent course not offered
Psychology: General & Developmental-6 credits	PSYC 101 and 106
Writing/English Composition-6 credits	WRIT 101, 102
Computer Science-3 credits	CIST 100 or 106
Humanities and Social Sciences-6 credits	Any 6 credits – Anthropology, Economics, English Literature/Writing, Foreign Languages, History, Music, Performing & Fine Arts, Philosophy, Political Science, Religion, Sociology, or Visual Communications.

We recommend students interested in graduate health sciences programs should complete any additional prerequisites in biology, chemistry and physics while enrolled in CCBC. However, some of these courses can also be completed while enrolled in the Rehabilitation Science program.

# School of Information Sciences

The **Department of Information Science and Telecommunications** at Pitt offers the Bachelor of Science in Information Science (BSIS), a two-year program, which normally begins in a student's junior year. The BSIS program is designed to prepare students to assume professional responsibilities as system analysts and designers, database developers and managers, interactive system designers, information retrieval specialists, and other information related occupations. An education in information science has universal application throughout society—in banking, health care, pharmacy, libraries, judicial systems, communication, education, agriculture, private industry, and governmental agencies.

This transfer packet is designed to help you plan your curriculum at Community College of Beaver County (CCBC) so that you can achieve maximum transferability of classes and fulfill graduation requirements and/or prerequisite requirements for admission to the BSIS program. We suggest you use it while consulting with the Transfer Counselor at your campus.

## SKILLS AND GENERAL EDUCATION REQUIREMENTS

The following list is meant to help you complete some of the skills and general education requirements for the BSIS degree. CCBC courses that fulfill these requirements are listed along with SIS equivalencies. A grade of “C” or better is required for transferable credits. (Grade requirements exceptions noted below.)

### SKILLS REQUIREMENTS

**Writing** The writing requirement consists of two courses, as listed below. However, only one can be satisfied at CCBC.

CCBC Course	Credits	Pitt Course	Credits
WRIT 102 English Comp II	3	ENGCMP 0200 General Writing	3
		ENGCMP 0400 Written Prof Com	3

**Quantitative** The quantitative requirement can be satisfied by the following course

CCBC Course	Credits	Pitt Course	Credits
MATH 121 Calculus I	4	MATH 0220 Analytical Geo & Calc	4

### **Linguistics**

Equivalent course work not available at CCBC.

## GENERAL EDUCATION REQUIREMENTS

<b>Literature</b> (any one of the following)			
CCBC Course	Credits	Pitt Course	Credits
LITR 207 Intro to Poetry	3	ENGLIT 0315 Reading Poetry	3
LITR 210 Concepts in Lit	3	ENGLIT 0350 Literat Trad & New	3
LITR 224 The Literature of the Bible	3	ENGLIT 0597 Bible of Literat	3
LITR 225 Mythology	3	ENGLIT 1570 Myth & Folktales	3
HE 280 Drama	3	ENGLIT 0310 Dramatic Imaginat	3
LITR 208 Literature for Child	3	ENGLIT 1640 Lit for Child	3
LITR 218 Shakespeare	3	ENGLIT 0580 Intro to	3

		Shakespeare	
--	--	-------------	--

**Music and Art** (any **one** of the following)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
FINE 101 Art History I	<b>3</b>	N/T	
FINE 102 Art History II	<b>3</b>	HA&A 0010 Introduction to Art	<b>3</b>
<b>Note:</b> FINE 101 and 102 together transfer as HA&A 0010 for 3 credits			
FINE 110 Drawing	<b>3</b>	SA 0130 Foundation Drawing	<b>3</b>
FINE 210 Design	<b>3</b>	SA 0110 Foundation Design	<b>3</b>
FINE 225 History of American Art	<b>3</b>	HA&A 0501 American Art	<b>3</b>
MUSI 101 Intro to Music	<b>3</b>	MUSIC 0211 Intro to West. Art Mus	<b>3</b>

**Communication**

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
COMM 201 Public Speaking	<b>3</b>	COMMRC 0520 Public Speaking	<b>3</b>

**Philosophy**

Equivalent course work not available at CCBC.

**Social Science** (a minimum of **two** courses from any **two** different fields listed below: Economics, Political Science, Sociology)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
<u>Economics</u>			
BUSM 255 Macroeconomics	<b>3</b>	ECON 0800 Intro to Econ	<b>3</b>
BB 256 Microeconomics	<b>3</b>	ECON 0100 Intro Microecon. Theory	<b>3</b>
<u>Political Science</u>			
POLS 155 American National Government	<b>3</b>	PS 0200 American Political Proc.	<b>3</b>
POLS 102 Modern Political Systems	<b>3</b>	PS 0300 Comparative Politics	<b>3</b>
<u>Sociology</u>			
SOCI 101 Principles of Sociology	<b>3</b>	SOC 0010 Intro to Sociology	<b>3</b>
SOCI 115 Marriage & Family	<b>3</b>	SOC 0438 Sociology & Fam	<b>3</b>
SOCI 210 Contemporary Social Problems	<b>3</b>	SOC 0007 Social Problems	<b>3</b>

**History and Culture** (any **one** of the following)

<b>CCBC Course</b>	<b>Credits</b>	<b>Pitt Course</b>	<b>Credits</b>
ANTH 105 Cultural Anthropology	<b>3</b>	ANTH 0780 Intro to Cult Anthr	<b>3</b>

HIST 101 Western Civ. I	3	HIST 0100 West Civ. 1	3
HIST 102 Western Civ. II	3	HIST 0101 West Civ. 2	3
HIST 215 African-Amer Hist	3	HIST 0671 Afro-Americ Hist	3
HIST 111 US History I	3	HIST 0600 US to 1877	3
HIST 112 US History II	3	HIST 0601 US 1865 to Pres.	3
HIST 221 British History: Rom – 1603	3	HIST 1122 Stuart England	3
HIST 222 British History: 1603 - Pres	3	HIST 1123 Modern Britain	3
HIST 205 Colonial America 1607-1789	3	HIST 1610 US Colonial	3
HIST 206 Civil War: US 1850- 1877	3	HIST 1614 Civil War Hist	3
HIST 210 America & World: US Foreign Policy 1776- present	3	HIST 0685 US For. Relations	3

### **Psychology**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
PSYC 101 General Psychology I	3	PSY 0010 Intro to Psych.	3

**Natural Sciences** (a minimum of three courses is required. Two **must** follow a sequence and the third **must** be from a different science field).

### **Sequences**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
BIOL 101 General Biology 1	4	BIOSC 0150 Found. of Bio 1	4
BIOL 102 General Biology 2	4	BIOSC 0160 Found. of Bio 2	4
CHEM 101 General Chem 1	4	CHEM 0110 General Chem 1	4
CHEM 102 General Chem 2	4	CHEM 0120 General Chem 2	4
PHYS 101 College Physics 1	4	PHYS 0110 Intro to Phys 1	3
PHYS 102 College Physics 2	4	PHYS 0111 Intro to Phys 2	3

### **Single**

<b><u>CCBC Course</u></b>	<b><u>Credits</u></b>	<b><u>Pitt Course</u></b>	<b><u>Credits</u></b>
BIOL 110 Human Ecol & Heredity	3	BIOSC 0800 Bio for Non-Maj 1	3
PHYS 105 Physical Science	3	PHYS 0081 Ideas of Mod. Phys	3

In addition, we recommend that you complete some introductory courses in computer programming, for example:

CIST 160 Visual BASIC I	BD 212 Visual C
-------------------------	-----------------

# School of Nursing

There are two categories of transfer students who apply to the University of Pittsburgh **School of Nursing**: the R.N. applicant—a student who has completed his/her basic nursing education in a hospital or associate degree program, and transfer students interested in obtaining their pre-licensure nursing education. We recommend contacting the School of Nursing for an appointment for a regularly scheduled group information session. At this session any questions you may have about the transfer process will be answered.

**Student Services Office  
School of Nursing  
University of Pittsburgh  
336 Victoria Street  
Pittsburgh, PA 15261  
(412) 624-4586**

If you are unable to attend a group advising session, leave your name and a telephone number and you will be contacted by someone in the Student Services Office.

A quality point average of **3.3** on a 4.00 point scale from an accredited college or university is the minimum required for consideration for admittance to the School of Nursing B.S.N. program for non RN's. Acceptance or transfer to the School of Nursing is contingent on the meeting of admissions and academic requirements, and upon vacancies in the class. Since the undergraduate nursing curriculum requires sequential courses in the sciences and nursing, completion of the program usually requires four additional years.

The present Freshman/Sophomore B.S.N. curriculum is listed below. Classes that may be completed at CCBC are noted with suggestions for classes that will meet the requirement.

Students who have already completed a hospital or associate degree program in nursing will be admitted to an alternate curriculum: the RN Options curriculum for the B.S.N. or M.S.N. degree. **Admission requirements and prerequisites to this program differ** from the basic B.S.N. program. Information on these programs may also be obtained by contacting the Student Services Office for an information packet or an appointment for an information session.

The B.S.N. curriculum is listed on the following pages. Classes that may be completed at CCBC are noted, with suggestions for classes that will meet the requirement.

# School of Nursing Curriculum

## FRESHMAN YEAR

FALL TERM		
At PITT: Courses	Credits	At CCBC: Courses
CHEM 0910 Chemistry#	4	CHEM 101 & 102 and CHEM 105
NUR 00122 Anatomy and Physiology#	3	BIOL 201
NUR 0002 A&P Lab	1	Lab required
English Composition#	3	WRIT 101 OR WRIT 102
Psychology#	3	Any Psych course
Sociology#	3	Any Sociology course
<b>Total</b>	<b>17</b>	

SPRING TERM		
At PITT: Courses	Credits	At CCBC: Courses
DSMIC 0031 Microbiology#	4	BIOL 215
NUR 0003 Anatomy and Physiology#	3	BIOL 202
NUR 0002 A&P Lab	1	Lab Required
PSYED 0005 Life Span Development#	3	PSYC 106
NUR 1056 Nursing Informatics	3	NA
NUR 0051 Introduction to Professional Nursing	3	NA
<b>Total</b>	<b>17</b>	

**\*IMPORTANT:** As you plan your coursework at CCBC in preparation for transfer to the University of Pittsburgh School of Nursing, please keep in mind that the Nursing Curriculum at Pitt is highly structured, but does allow for a limited number of general electives. Allowable electives include various history, American or foreign culture, art, music, literature, math, and philosophy courses that are at the 100 level or above. PLEASE CONSULT WITH THE SCHOOL OF NURSING AS YOU SELECT YOUR COURSES. YOU CAN CALL THE OFFICE OF STUDENT SERVICES AT (412) 624-2407.

# School of Pharmacy

The **School of Pharmacy** offers a four-year professional pharmacy program leading to the Doctor of Pharmacy Degree (Pharm D.). The program is six years in length and configured in a program of study that requires two years of pre-professional courses and four years of professional courses.

Applicants for admission to the School of Pharmacy must be eligible for admission to the University and have successfully completed, or be in the process of completing, all prerequisite mathematics and science subjects no later than the spring term of the year of admission. All other pre-professional courses must be completed prior to the fall entry into the professional program. All courses must be taken for a letter grade.

The minimum requirements for consideration for admission to the School of Pharmacy's professional program are:

1. Completion of the pre-pharmacy requirements
2. Quality point average of 3.0
3. Completion of the [PharmCAS](#) Application and application fee
4. Completion of the School of Pharmacy Supplemental Application and fee
5. Submission of the PCAT scores

The application process consists of 2 parts. Both parts are required. Pharmacy College Application Service ([PharmCAS](#)) Application - due in **December**. The supplemental application process must be completed and submitted in **January** to be considered for Fall admission. Please visit [www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html](http://www.pharmacy.pitt.edu/Programs/PharmD/application/step2.html) for information on the deadlines and applications.

**Office of Student Services**  
**School of Pharmacy**  
**904 Salk Hall**  
**Pittsburgh, PA 15261**  
**412-383-9000**  
<http://www.pharmacy.pitt.edu/>

*Below is the recommended distribution of courses for the first two years (pre-professional) of study toward the Doctor of Pharmacy Degree (Pharm D.):*

<b>First Term</b>	<b>Third Term</b>
Biology I (3 credits)	Organic Chemistry I (3 credits)
Biology I lab (1 credit)	Organic Chemistry I lab (1 credit)
General Chemistry I (3 credits)	Statistics (4 credits)
General Chemistry I lab (1 credit)	Introduction to Psychology (3 credits)
Calculus (4 credits)	Electives (see below for suggestions)
English composition (3 credits)	
<b>Total Credits: 15 or 16</b>	<b>Total credits: 17</b>

<b>Second Term</b>	<b>Fourth Term</b>
General Biology II (3 credits)	Organic Chemistry II (3 credits)
General Biology II lab (1 credit)	Organic Chemistry II lab (1 credit)
General Chemistry II (3 credits)	Electives (see below for suggestions)
General Chemistry II lab (1 credit)	
English composition	
Economics (micro or macro or intro)	
<b>Total Credits: 14</b>	<b>Total Credits: 12</b>

*Distribution of Electives should be as follows:*

**Humanities** (6 credits from two different departments, such as Africana Studies, Classics, Communication, English, History of Art and Architecture, Foreign Language, Music, Philosophy, Religious Studies, Studio Arts, and Theatre Arts)

**Social Sciences** (6 credits from two different departments, such as Anthropology, Economics, Geography, History, Political Science, and Sociology)

**Plus**, 6 additional credits selected from Humanities, Social Sciences, Psychology, or History and Philosophy of Science

# School of Social Work

To transfer to the Bachelor of Arts in Social Work major in the **School of Social Work**, a minimum Quality Point Average of 2.0 (based on 4.0) is required and you must have completed a minimum of 60 credits, distributed as follows:

**Humanities** - 9 credits in classes such as Communications, Foreign Languages, Literatures, Philosophy, Music, and Theatre Arts

**Social Sciences** - 9 credits in classes such as Anthropology, Black Studies, Economics, History, Political Science, Psychology, and Sociology

**Natural Sciences** - 9 credits in classes such as Biological Sciences, Chemistry, Computer Science, Geology and Planetary Science, and Physics

**Other Courses** - preferably in the social sciences (33 credits)

Students who are seeking to transfer must submit a transfer application to:

**University of Pittsburgh**  
**Office of Admissions and Financial Aid**  
**4227 Fifth Avenue**  
**Alumni Hall**  
**Pittsburgh, PA 15260**

Transfer students must submit official transcripts of all courses taken at post-secondary educational institutions, colleges, universities, etc., whether or not it is intended that such credits be counted towards a degree at the University of Pittsburgh. To be accepted, credits must be evaluated and approved by the BASW program director, or his or her designate, in consultation with the Associate Dean for Academic Affairs. If the student is admitted to the program, the advanced-standing credits are not used for future computation of the QPA.

All credits eligible for advanced standing are subject to the following limitations:

- ◆ Credits earned by the student at another institution will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- ◆ Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#).

- ◆ The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- ◆ No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.
- ◆ All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- ◆ Not more than 90 credits may be transferred from four-year schools and no more than 60 credits can be transferred from two-year schools. This decision is made on the basis of the last school attended, according to the University of Pittsburgh Transfer Credit Policy.
- ◆ If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make up those transfer credits.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- ◆ Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- ◆ Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- ◆ Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- ◆ Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- ◆ Transfer credits will be calculated by the Student Services Specialist assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- ◆ A student may appeal a negative ruling regarding transfers credit to the Academic Review and Academic Integrity Committee, following the procedures described in the [Student Handbook](#) for filing student grievances.

Applicants will be evaluated on:

- A. Overall academic record
- B. Three letters of reference
- C. Individual response to a three-part question

For an admissions application and supplemental materials, contact the Office of Admissions and Financial Aid. For further information on the School of Social Work contact:
