*The Fogarty International Center invites applications to develop masters-level curricula and provide educational opportunities for developing country academics; researchers and health professionals in ethics related to performing research involving human subjects in international resource poor settings.*

***An institution may submit only one application and only one new or existing program will be supported at an institution.***

Because of the limit placed on the number of submissions and to also allow enough time for the internal review process and then preparation of a full application by the selected researcher, faculty interested in submitting a proposal should send to Elaine Riberich (Office of Research 123 University Place, 47413, [emr@pitt.edu](mailto:emr@pitt.edu)) **by March 9, 2011 a description of their proposed project.**

In case more than one proposal is received, a University review committee will convene to determine which proposal will be endorsed for the **May 10, 2011 receipt deadline - LOI due April 10, 2011.**

For a list of additional **Programs Limiting the Number of Allowed Institutional Submissions** connect to the Office of Research new home page: <http://www.pitt.edu/~offres/> then select **Funding Resources.**
