

REZA PAKZAD - CURRICULUM VITAE

Contact Information:

Assistant Professor (phone) (412) 624 8381
Department of Mathematics, (email) pakzad@pitt.edu
University of Pittsburgh,
301 Thackeray Hall,
Pittsburgh, PA 15260.

Appointments:

09/2007 -	Assistant Professor	Dept. of Math., University of Pittsburgh
10/2005 - 08/2007	Postdoctoral Fellow	Max Planck Institute, Leipzig, Germany
09/2003 - 08/2005	Postdoctoral Fellow	Dept. of Math., U.B.C., Vancouver
10/2001 - 08/2003	Postdoctoral Fellow	Max Planck Institute, Leipzig, Germany
09/2000 - 09/2001	Postdoctoral Assistant	Université d'Évry, France

Visiting Positions:

09/2010 - 12/2010	Visiting Asst. Professor	Courant Institute, NYU
09/2007 - 12/2007	Visiting Asst. Professor	School of Math., University of Minnesota
09/2006 - 12/2006	Visiting Asst. Professor	School of Math., University of Minnesota

Education:

B.Sc. 1996, Sharif University of Technology, Iran, Mathematics

Ph.D. 2001, ENS de Cachan, France, Mathematics

Thesis: Study of topological singularities in function spaces between manifolds and applications in the calculus of variations. Advisor: T. Rivière.

Teaching Experience:

01/2008 -	University of Pittsburgh	Graduate Topic Course on Optimal Transport Graduate Analysis II Calculus I, II & III Differential Equations Introduction to Theoretical Math Introduction to 1-Variable Calculus Introduction to Analysis (HNR)
2006 - 2008	University of Minnesota	Introduction to Topology Linear Algebra and Differential Equations
2003 - 2005	University of British Columbia	Elementary Partial Differential Equations Linear Systems, Matrix Algebra
2000 - 2001	Université d'Évry, France	Elementary Differential Equations, Linear Algebra
