*Disclaimer: This document was prepared by the Student Organization of PBK, which is not directly affiliated with the PBK Academic Honor Society. The successful completion of all of the required courses does not guarantee induction to PBK.*
Most courses under these Divisions will be accepted for use as PBK requirements. However, many departments offer courses that are formally cross-listed with another department in another Division (for example: Religious Studies and History). Courses can be used only once, but in any of the cross-listed divisions.

**Humanities**
- Classics
- Communications
