PART OF A MONTH-LONG CELEBRATION OF UNDERGRADUATE RESEARCH AND CREATIVITY

## **Department of Civil and Environmental Engineering Senior Design Project Presentations**

April 18, 2008  
9 a.m.–4 p.m.  
921 Benedum Hall

The civil engineering senior design project presentations will provide an opportunity for 42 seniors, organized into six design teams, to demonstrate the skills they have acquired as undergraduates by applying them to challenging design projects.
