PART OF A MONTH-LONG CELEBRATION OF UNDERGRADUATE RESEARCH AND CREATIVITY

School of Arts and Sciences First Experiences in Research Poster Session

April 16, 2008

4:45–6:15 p.m.

Chevron Science Center
(Ashe Lobby and Balcony)

www.pitt.edu/~provost/undergrad_research.html

This exciting event exhibits the insights and experiences of undergraduates in all disciplines of the arts and sciences involved with the First Experiences in Research program. Working side by side with faculty mentors on research projects, these undergraduates develop acute awareness of the research process. The event highlights their first research posters.
