Be sure to fill out both sides of this form. Entries must be received by February 27!

**1/2-Byes:** In order to allow participation by those players who might not be able to make all of their games, we allow players to request a single 1/2-bye. They are not paired for that round and it is treated like a draw for scoring purposes. You should request the 1/2-bye right on the entry form. Changes to byes after initial entry will incur a \$5 change fee. You can let the pairing TDs know an hour before the 1<sup>st</sup> and 2<sup>nd</sup> rounds and for later rounds you must request the 1/2-bye by the 2nd round. (This is different than when we force someone to take a bye because there is an odd number of players in their section, in that case they would receive a 1-bye.)

**On-Site Registration:** We do recommend that all players try to register in advance. That makes the tournament organizers' and directors' job much easier and it also saves you money. However for those who don't, there are limited opportunities to register at the tournament. Entries will be taken on Friday night March 1 from 6 to 10 pm at the tournament site and on Saturday morning March 2 from 10 to 11 am at the site. Those players registering on Saturday will receive a 1/2-point bye for the 1<sup>st</sup> round. Entries for the Sunday-only sections will also be taken throughout Saturday until 5:30 pm.

**Teams:** School teams can include all players from that school that are playing in the particular section. Club teams must represent a club which meets at least 8 months per year and is a USCF affiliate. Club teams are limited to at most 10 players in a section and all players must have recently attended 6 or more regular meetings of the club. (A club officer must be able to provide verification that players are eligible to compete for their club.) Players may compete for both their school and club teams. Team scores are calculated by summing the top 4 scores from members of that team. However, teams can consist of 2 or 3 players, though they will naturally be at a big disadvantage in competing for prizes. For schools, we will be using the "Plus 2 Pairing" rules, so you won't in general play a teammate unless you both have at least a +2 score and there is no other way to pair your scoregroup. For clubs, we will avoid pairing teammates until the last two rounds of the tournament. But for those final two rounds, club affiliation will be ignored in the pairing process. Changes to teams after initial entry will incur a \$5 change fee. The 7-12 U1000 and 7-12 Unrated sections will be paired separately, but will have combined teams of players.

**Hotel:** The tournament is being played at the Eisenhower Hotel & Conference Center, 2634 Emmitsburg Road, Gettysburg PA 17325. With the convenience of staying right at the tournament site, rooms are available for \$89 for 1-4 per room. Mention "Chess Tourney" for the best rate by January 31. For further information and to reserve your room: 717-334-8121.

**Information:** For more information about the event visit our website at <http://www.pscfchess.org/pascholasticchamp/> Once the USCF February rating supplement is available, we will begin posting entries as they are received. Please check that we have handled your entry correctly and help us correct any problems before the event begins. You can also contact Tom Martinak [martinak\\_tom\\_m@hotmail.com](mailto:martinak_tom_m@hotmail.com) 412-908-0286.

**Bughouse Tournament:** We will be continuing this popular event (which is for scholastic players only). You must register at the tournament site on Friday evening or on Saturday up until 8:30 pm. The tournament will begin on Saturday at 8:45 pm. The entry fee will be \$20/team. Tournament organization and the trophies to be awarded will depend upon the number and distribution of entries.

In order to encourage the providing of early and accurate information (which will greatly simplify the registration process), there is a \$5 handling fee for changes/refunds requested after 2/16.

A one year PSCF (Pennsylvania State Chess Federation) membership extension is provided to all entrants.

Thanks to Bob Ferguson for donating scholarship prizes to the Castle Chess Camp next summer. For information on their activities check them out on the web at <http://castlechess.org/>
