V. BOARD REPORTS

A. Ryan Gayman
Board member Gayman greeted students. He reported that the purple shirts that you may have seen people wearing are a shout out to PMADD 2011. He stated that you will be seeing people wearing them every Tuesday. He stated that this year PMADD will be held on October 22, 2011 and he strongly encouraged everyone to get involved with it. If you don’t know what it is, you can go to the website for more information, www.pitt.edu/~pmadd. If there are any questions, his email is on there and you can ask him. He stated that one request he had related to PMADD was that they will be doing some new, creative marketing and that there are a lot of great ideas for this within the PMADD committee; however, they will need more people to actually execute these ideas. He reported that one of the ideas is to have a flash mob with all of the people wearing the purple PMADD shirts. He stated that if you wanted to get involved in these marketing ideas you still can. He also reported that he has been talking to Kenyon Bonner and John Owen about doing a special event for the student organizations that will be moving into the O’Hara Student Center. The ribbon cutting ceremony will be coming up sometime in October. There is no set date yet. Board member Gayman also reported that he had a meeting with the Green Team, where they met with several people with green initiatives on campus. There is a Green Team through Res Life who moved in early and helped to collect all of the boxes and recyclable material as people were moving in during Arrival Survival. He stated that this is an initiative that they do not want to see die. They are, therefore, trying to work with ResLife, the students involved, Student Government, Environmental Leaders, Free the Planet, etc., to try to make this a movement on our campus to make us more sustainable. If you want to get involved or would like any more information, you can contact himself, or Becky Schroeder, the Environmental Chair.

He reported that he sent in his proposal on Friday, September 9, 2011 to Kevin Sheehie, who works for the Department of Transportation, in order to get more of the Pitt Shuttle stops marked with signs. He expects to be moving forward with this proposal in the next few days. She said she is very excited about all of the interest people are showing and that she believes it has a lot of potential. She also reported that she finished the Allocations FAQ that they will be putting up on the SGB website. She sent it along to the Board members to get their general opinion and she also thanked the Allocations Committee for helping her out with that, and also to the Webmaster. She stated that, if possible, she was trying to set it up so that if you have a question, you can submit it on the website and it would be sent straight to the Allocations Committee’s email and then your question would become an FAQ.
