The new PCL season is rapidly approaching. We will be sending out organizational flyers to team captains in early August. That mailing will include last year's roster with the official August ratings for all of your returning players. Then, we will be having our organizational meeting to turn in new rosters on Thursday September 12 in the Concourse Dining Area of the William Pitt Union at the University of Pittsburgh.

For most teams, that means individual players should be getting in contact with their team captains sometime this August. And in particular, it is always helpful for captains to know both who is interested in playing again this fall and who may be playing for a different team.

PCL Quick Quads

Each year, we run quads before each round of the league (except in September when we are too busy organizing). These are played at Game / 15 Minutes, so each game takes at most a half hour. These games are rated under the USCF Quick Ratings and so do not effect your USCF Regular Rating which is used for the PCL matches. After everyone registers we organize the players unto groups of four based upon their quick ratings. We try to place unrated based upon our estimate of their rating - though with no knowledge they will default to the bottom section. These 4-player sections, called quads, then play a round robin, all-play-all. If we don't have a number of entrants that divides up perfectly, we will organize the bottom section as a 6-player 3-round swiss (and add a class prize of \$10 for the top scorer among the bottom three rated entries). We also give three prizes for overall quad activity over the entire league season - Grand Prix Champion, Top Age 18 & Under, and Top Age 12 & Under.

Cell Phones

As everyone knows, we try to keep the tournament room as quiet as possible so as not to disturb the players during their games. With the increased usage of cell phones, there has also been increasing occurrences of cell phones ringing in the tournament room. Everyone is reminded that while in the tournament room (either as a player or observer) you should have your cell phone set so as not to ring audibly. And you should leave the room when actually answering the phone.

For the moment we will be warning players whose cell phones ring, but there is a rising sentiment by many to act as in some other areas of the country and actually forfeit players for the 2nd and subsequent occurrences over the league season.
