

# 2021 PSCF National Qualifiers June 5 & 6

In order to provide qualifiers for the national invitationals we will be running online 6 player Round Robins. The top 6 rated entrants for each section will play, other entrants will serve as alternates and will have their entry fee refunded if they don't end up playing. We will be using the maximum of your May 2021 over-the-board Regular ratings and Online Regular rating. This event will be submitted for Online Regular rating. These events will be played on Chess.com, so you will need a Chess.com account (available for free). You will also need to be able to use a webcam in your computer and a second webcam (probably a cell phone) so that both can log into zoom during your games.
