Proceedings

Day 1, 19th March 2013

Team reached at LUMHS IT hall, welcome by Dr Akbar Nizamani.

Brief presentation by Dr Salma Shaikh encompassing the background, steps, progress, weakness, strengths of pre-service IMNCI implementation in LUMHS

Dr Aijaz Hussain representing DG Health Sindh, in his comments praised LUMHS for implementing the IMNCI in Pre-Service and extended complete cooperation to LUMHS.

After Dr Aijaz Urasni's remarks, all the guests were decorated with AJRAK by worthy Vice Chancellor, Dr Abdul Rehman Pirzado and Dr Salma Sheikh, Dr Akbar Nizamani

Worthy Vice Chancellor in his speech welcomed all the participants and gave a brief on LUMHS and research work of LUMHS specially community associated research, his speech was followed by tea break

The visiting faculty was divided in 4 groups. On day 1 all the groups observed outdoor teaching and small group discussions at Pediatric OPD at Jamshoro and City

All the team returned to Pediatric ward to have ward visit, followed by lunch at Indus Hotel Hyderabad

Day 2, 20th March, 2013

On day two, team gathered at department of community medicine. Dr Anila Attaur Rehman, chairman department and head of department of community medicine, welcomed all the participants. All the team visited different teaching stations at department of community medicine e.g. ORT; Family planning All groups attended final year class at Jamshoro. Faculty of community medicine briefed about every station and explained how the students are taught at these stations. The team visited all the sections/ teaching areas of department of community medicine. After the visit team attended the lecture given to final year M.B.B.S on IMNCI topic.

After attending the lecture all team again visited community medicine and were exposed to group teaching at department followed by brief of Dr Salma Sheikh on Quality assurance tools, Case Books and Log Book. After the brief visiting team observed indoor teaching session, Summarize Group teaching at Department of pediatrics LUMHS Jamshoro and city

Debriefing session was done at Indus Hotel, with the entire visiting faculty. Feedback was taken from the visiting Faculty. This was followed by LUNCH

Decisions / Way Forward:

During the de-briefing all the guests requested to support from LUMHS in teaching tools. Department of Pediatrics will extend complete cooperation and support to implement/ introduce IMCNI in pre-service teaching at all the medical universities/ colleges of Pakistan

The visiting faculty will ensure to initiate/ implement IMNCI in pre-service teaching at their concerned Medical colleges/ universities.

World Health Organization will provide its technical assistance and facilitation in future study visits. DO MNCH will support LUMHS in pre-service activities at LUMHS

Organizers: Department of Pediatrics LUMHS Jamshoro, MNCH Program Sindh and District MNCH Office (NPPI) World Health Organization Jamshoro
